

MIGRATION TO ADOBE COMMERCE CLOUD

Magento or Adobe Commerce on-prem migration to Adobe
Commerce Cloud hosted on Microsoft Azure

Our Magento to Adobe Commerce Cloud Migration Consulting Services provide comprehensive guidance and support for businesses seeking to migrate their existing Magento Open Source solution or self-hosted Adobe Commerce platform to Adobe Commerce Cloud on Azure.

Deliverables:

Assessment and Planning:

- Assessment of your existing Magento or Adobe Commerce solution,
- Evaluating complexity, customizations, extensions, and integrations,
- Preparation of a detailed migration plan tailored to your business requirements, outlining the necessary steps, timelines, and resource allocation.
- Planning Azure services and resources

Adobe Commerce Configuration:

- Microsoft Azure cloud hosting environment configuration, setting up the necessary processes, permissions, security measures.

Customization, Integrations and Extension Migration:

- Validation of the customizations, non-standard integrations or extensions compatibility with Adobe Commerce Cloud,
- Strategy for migrating or recreating them on the cloud platform.

Data Migration:

- Assistance in migrating your product catalogs, customer data, order history, and other relevant data to Adobe Commerce Cloud.

Testing and Quality Assurance:

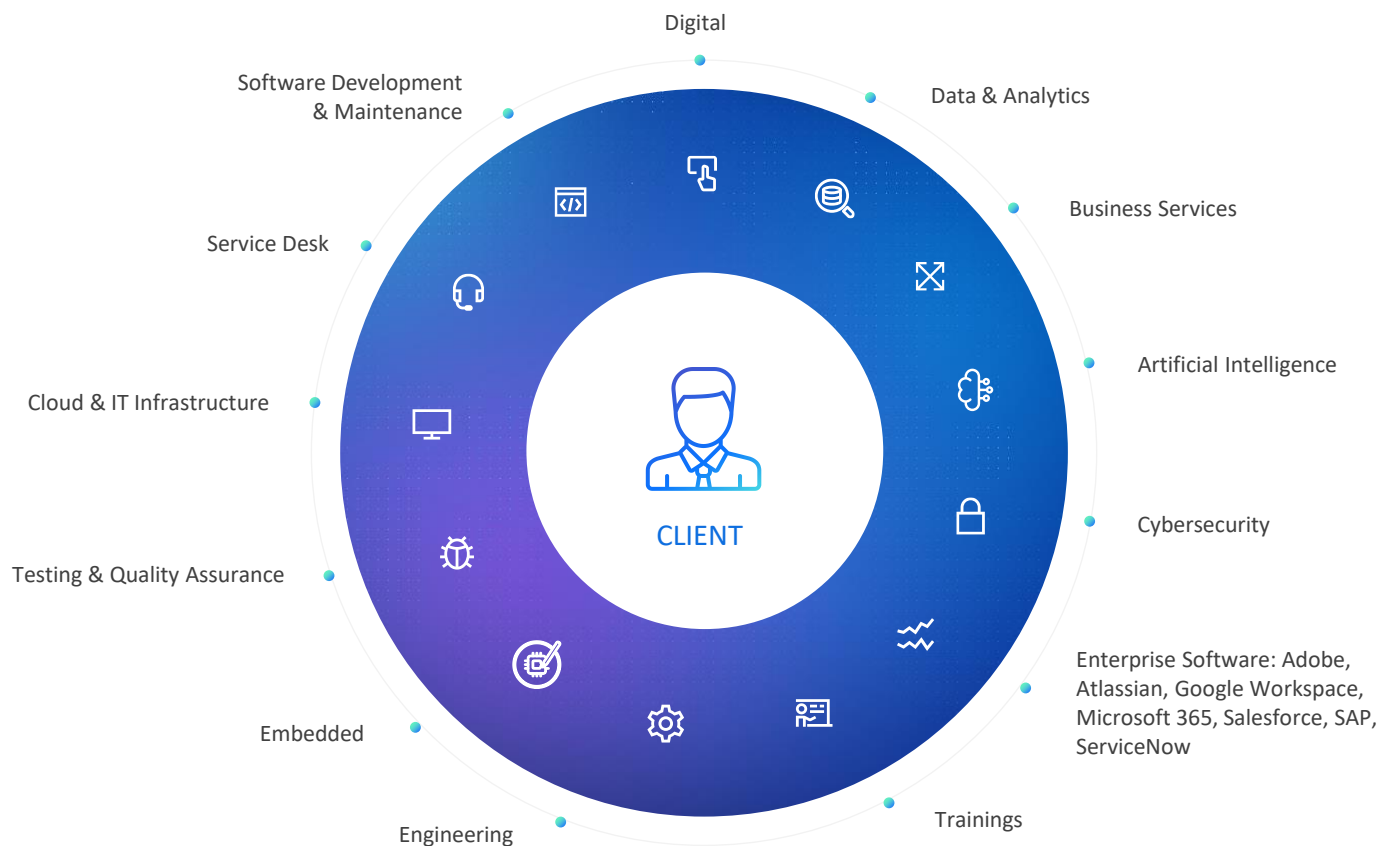

- Conduct testing to verify the functionality, performance, and compatibility of your migrated solution on Adobe Commerce Cloud.

Why our clients decide
to ...

- currently running a Magento Open Source solution or a self-hosted Adobe Commerce platform and want to migrate to the cloud
- seeking to take advantage of the features and scalability offered by Microsoft Azure
- require assistance in assessing the complexity of your existing solution, including customizations, extensions, and integrations, and developing a detailed migration plan
- help with data migration, configuration, and ensuring data integrity during the transition
- have customizations or extensions in current solution and need assistance in migrating or adapting them to work on Adobe Commerce Cloud on Azure
