Teams Premium POC for Meeting Organizers: 2-Wk Proof of Concept

Configure and demonstrate Teams Premium features and policies to enhance the Teams Meeting organizer experience.

Provides a meeting organizer with tools and capabilities to create and manage Teams meetings with confidence. Teams Meetings when combined with the Teams Premium license offer the opportunity to showcase an organization's brand to internal and external parties along with ensuring proper protections are in place to keep meeting content safe.

- *Organizational branding* – Create custom meeting lobby, meeting theme, and meeting background
- *Meeting templates* – Create up to two custom meeting templates for easy scheduling of specific meeting types (Ex: Weekly status meeting, Daily stand up, Highly sensitive meeting)
- *Compliant Meetings* – Configure video and shared content watermarking, create labels and templates to control what meeting attendees can see and do, and manage meeting recordings
