Revolutionising Your Human Capital SaaS Platform!

The screenshot displays the Bastian Logistics dashboard for user John Patrik. The interface is clean and modern, with a dark blue sidebar on the left containing navigation options: Home, Analytics, Apps, Employee, and Configure. The main content area is titled 'Bastian Logistics | Dashboard' and features a 'My Apps' section with seven interactive cards: Onboard, Verify, Attend, Payroll, Upskill, Operations, and Benefits. Each card includes a 'View Dashboard' button with a right-pointing arrow. On the right side of the dashboard, there is a 'Hello John,' greeting, a 'Quick action' menu with options like 'Add employee', 'Run payroll', and 'Roster view', and a 'Hire verified workforce' section with a 'Subscribe' button and an illustration of a person running.
