# Viva Connections Advisory. - by VENZO

We offer a structured and holistic approach ensuring your organization gets the best out of Viva Connections – based on your specific needs.

# Viva Connections Advisory by VENZO. Our approach.

## 01 Assessment

For us to support and advise your organization on how to realize the benefits of Viva Connections, we need to know how your organization works today.

- Readiness assessment
- Stakeholder assessment
- Assessment and mapping of content, communities etc.
- Assessment and mapping of communication channels

## 03 Build & Implementation

Once we have the prioritizations and the implementation plan, we start building the solution(s) needed to increase your Employee Engagement.

- Develop / Migrate to modern SharePoint
- Deploy Viva Connections
- Build Web Parts, Dashboard & Adaptive Cards
- Setup feed and integrations
- Implement governance process

## 02 Co-create your modern workplace

We adopt a collaborative approach, and together with you, we develop employee experience stories (EXS) and implementation strategies targeting the Employee Engagement you wish to foster.

- EXS Workshops & Prioritization mapping
- Target Group mapping & Communication strategy
- Develop implementation plan

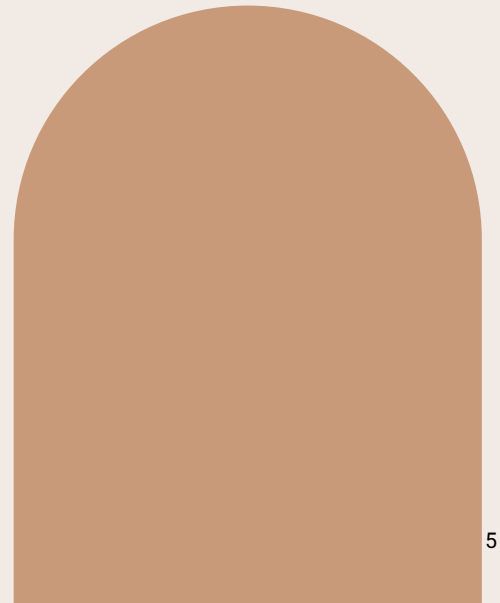

## 04 Change & Adoption

For your end users to fully engage and harvest the benefits, we offer a high focus on change and adoption.

- Change Management Strategies
- Communication campaigns
- Training and end user adoption (playbooks etc.)
- Governance anchoring

## **Viva Connections Advisory. Presentation.**

# Increase your Employee Engagement with Viva Connections.

The driving force for any business is its employees. Enable your organization to keep your employees engaged, connected and informed by realizing the many benefits of Viva Connections, and solve some of the most critical customer pain points.

# Example of common customer pain points.

- Lack of employee engagement due to unstructured or irrelevant news publishing
- Unstructured or non-existing overview of organizational documents (Policies, Code of Conduct, etc.)
- Reduced connectiveness and communication between employees due to increased remote work
- Time used to shift between systems or applications when searching and looking for similar information
- High employee turnover and low organizational profitability due to lack of engagement

# Why VENZO?

With Viva Connections, VENZO helps enable your organization to keep your employees engaged and informed through a modern employee communication platform within Teams.

In other words, **we help you solve common, but highly critical, challenges** all impacting the employee experience in your organization.

# Thank you.

We are looking forward to our next meeting!
