

**Getting started instruction:**

Akila can be accessed by clicking: <https://user-platform.akila3d.com/>. After you log in, you can reset your password in the Account Information page by clicking on your username in the top right of the screen.

As a Superuser, the first thing you will want to do is go to the User Management page and create new users, set up roles, and establish the structure of departments in your organization.

Please take advantage of the User Manual in the top right corner for guidance on maximizing your value from Akila.

Please feel free to contact us at [helpdesk@akila3d.com](mailto:helpdesk@akila3d.com) if you have any questions. We sincerely appreciate the trust you have placed in Akila and look forward to a long and successful partnership!
