

Microsoft Licensing Assessment

Understand your Microsoft licensing position and optimize your investments with a Microsoft Licensing Assessment.

This assessment is right for you if you are:

Uncertain how to maximize use of current technologies

Challenged in navigating multiple licensing channels

Finding it to be difficult to make licensing decisions to fit your needs

Get the most out of your IT investment

Take control of your licensing and build a strategy for licensing renewal. HBS can guide you through complicated licensing options and assist in choosing only the licensing you need for various workgroups in your organization.
