

## About XRM Vision

 Microsoft Partner since 2010

 One of the first Canadian Partners to be Power Platform certified

 Head office located in Montreal, with other offices in Victoria, Toronto, and Morocco

## MVP for Microsoft Planner Work Management System

Embark on a journey to work management excellence with our MVP for Microsoft Planner. This tailored service allows you to get Microsoft Planner and test against real-world business scenarios, providing you with a risk-free opportunity to assess its impact. Benefit from our expert guidance and a customized approach that seeks to refine the system based on your feedback. At the end of the MVP, you'll receive a detailed report highlighting the system's performance and potential areas of improvement

### Workshop Deliverables

#### Tailored MVP Planning

Engage in detailed discussions with our experts to outline your specific work management needs.

#### Real- World Scenario Testing

Experience the functionality of Microsoft Planner in scenarios that mirror your actual business processes.

#### Feedback and Iteration

Your input is invaluable. We'll refine the system based on your feedback to demonstrate the true potential of a full-scale implementation.

#### Detailed MVP Report

Receive a comprehensive report outlining the performance, benefits, and business value of the deployed work management system.

### Pricing

This Microsoft Planner engagement starts at \$10,000. Contact us to find out how XRM Vision can bring you into the Planner era.
