

Cloud Services

Uniting Healthcare, Epic, and Cloud experts to empower healthcare organizations with the transformative advantages of the public Cloud.

Digital transformation in the Cloud

There is an incredible amount of noise and disruption in the competitive Cloud space that makes it challenging for healthcare IT leaders to determine how Cloud can deliver value for their unique business objectives. Optimum's deep expertise and understanding of clinical needs, technologies, revenue cycles, and operational models of the healthcare industry enables us to eliminate the noise and provide clear skies. The road to digital transformation in the Cloud has many risks and challenges. Our experience can help ensure your success in realizing the transformative benefits of the public Cloud.

Cloud offerings

Our umbrella of Cloud offerings is designed to meet you where you are today and prepare you for tomorrow's growth. Our Cloud offerings are complemented by our other services lines, which span the entirety of healthcare IT.
