

# Sustainability Engagement

Spark excitement and engagement in your employees.

Create and foster an organizational culture that encourages collaboration and communication, ensuring a balance between economic efficiency, social equity and environmental responsibility. Apply our proven methods of Gamification to accelerate your Sustainable Transformation.

Engage Campana & Schott with professional, technical and methodological expertise to give your Sustainable Culture a jump start.

## Sustainability Expertise

Together with our sustainability experts we ensure the determination of significant impact sources and the development of successful reduction measures to help you achieve your sustainability goals efficiently.

## Technical Know-how

As Microsoft partner we provide you with our native Teams App for employee engagement, alongside the technical know-how needed for its implementation and effective roll-out.

## PM & Change Experience

With more than 30 years of experience in transformation projects the team of Campana & Schott brings all methods needed for successfully developing organizational cultures in complex environments.

## Why Campana & Schott?

Our highly qualified and first-class consultants ensure that the employees of your organization receive a user-friendly, intuitive and highly integrated solution that enables you to ensure an efficient and effective advancement of your sustainable culture.
