

Sales stack for Architects and Engineers

Relationships Hub

New business dev and vendor management across firm unified

The Relationships Hub interface displays contact information for two companies: CWG.COM and GRAB.COM. For CWG.COM, it lists contacts like Steve Ambrose, Steve Chaffin, and Steve Dwyer, with a total of 307 contacts. For GRAB.COM, it lists contacts like Angelo DiProspero, Pranjata David, and Kishorekumar Thumburu, with a total of 286 contacts. Below the contact lists, there are several charts and metrics, including 'Total Campaign' (down 1%), 'Sentiment Positive' (34%), and 'Recency' (30 Oct).

Compliance Assistant

Automate understanding of obligations

The Compliance Assistant interface shows a document titled 'Request for Proposals: Strategic Communications, Media & Public Relations'. The document text includes a 'PURPOSE' section stating the goal is to identify an agency to support Brand USA's strategic global communications. It also includes an 'OBJECTIVE' section with a list of goals such as 'Tell the story of Brand USA's marketing opportunities to media across the court' and 'Build engagement, trust, and advocacy'. The interface features search bars, document thumbnails, and navigation arrows.

Proposal Assistant

Help generate RFP responses and other documents

The Proposal Assistant interface displays a 'Compliance and Sustainability Questionnaire' document. The document contains a table with columns for 'Question', 'Response', and 'Status'. The questions cover areas like 'Organizational requirements and management responsibility', 'Human rights and fair working conditions', and 'Environmental impact'. The table shows various responses such as 'Yes', 'No', and 'Download'. The interface includes a document history sidebar on the right and a 'SIMILAR CONTENT' section at the bottom.
