IE8 Roll-Out

The stages for the installation of IE8

There are two main elements to the IE8 installation process.  
Click on each button to know more.

Stage 1 Stage 2

The portal will be gradually amended and ultimately phased out because IE8 is not compatible with the Application Page on the portal. Users will notice the removal of the "Applications" menu, resulting in the Novell Application Window having to be opened from the Windows Start button.

Click [here](#) to view the installation procedure.

**The Asian Banker Awards 2016**

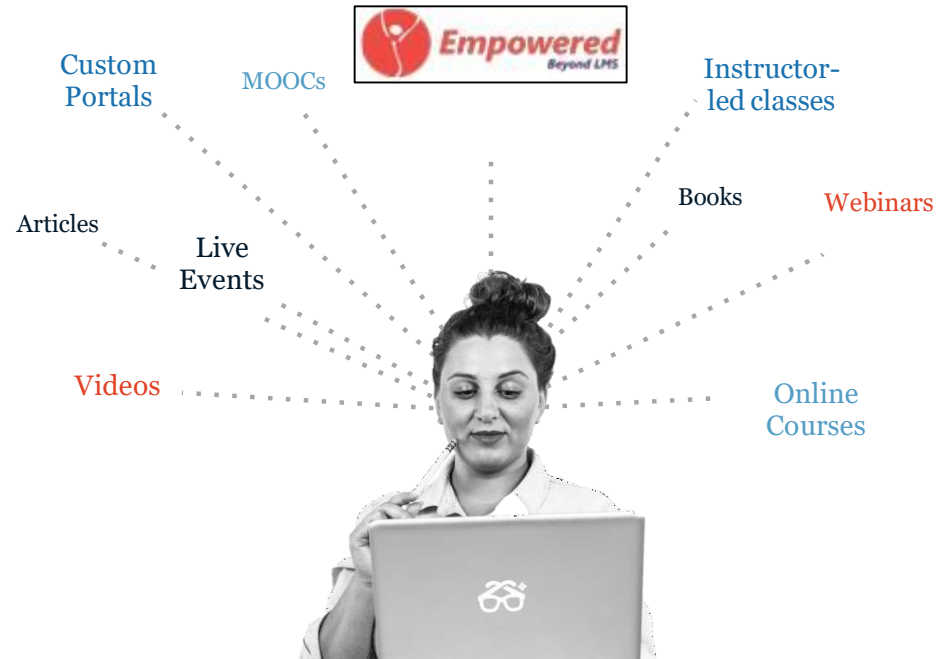

## Empowered integrated with DEGREED

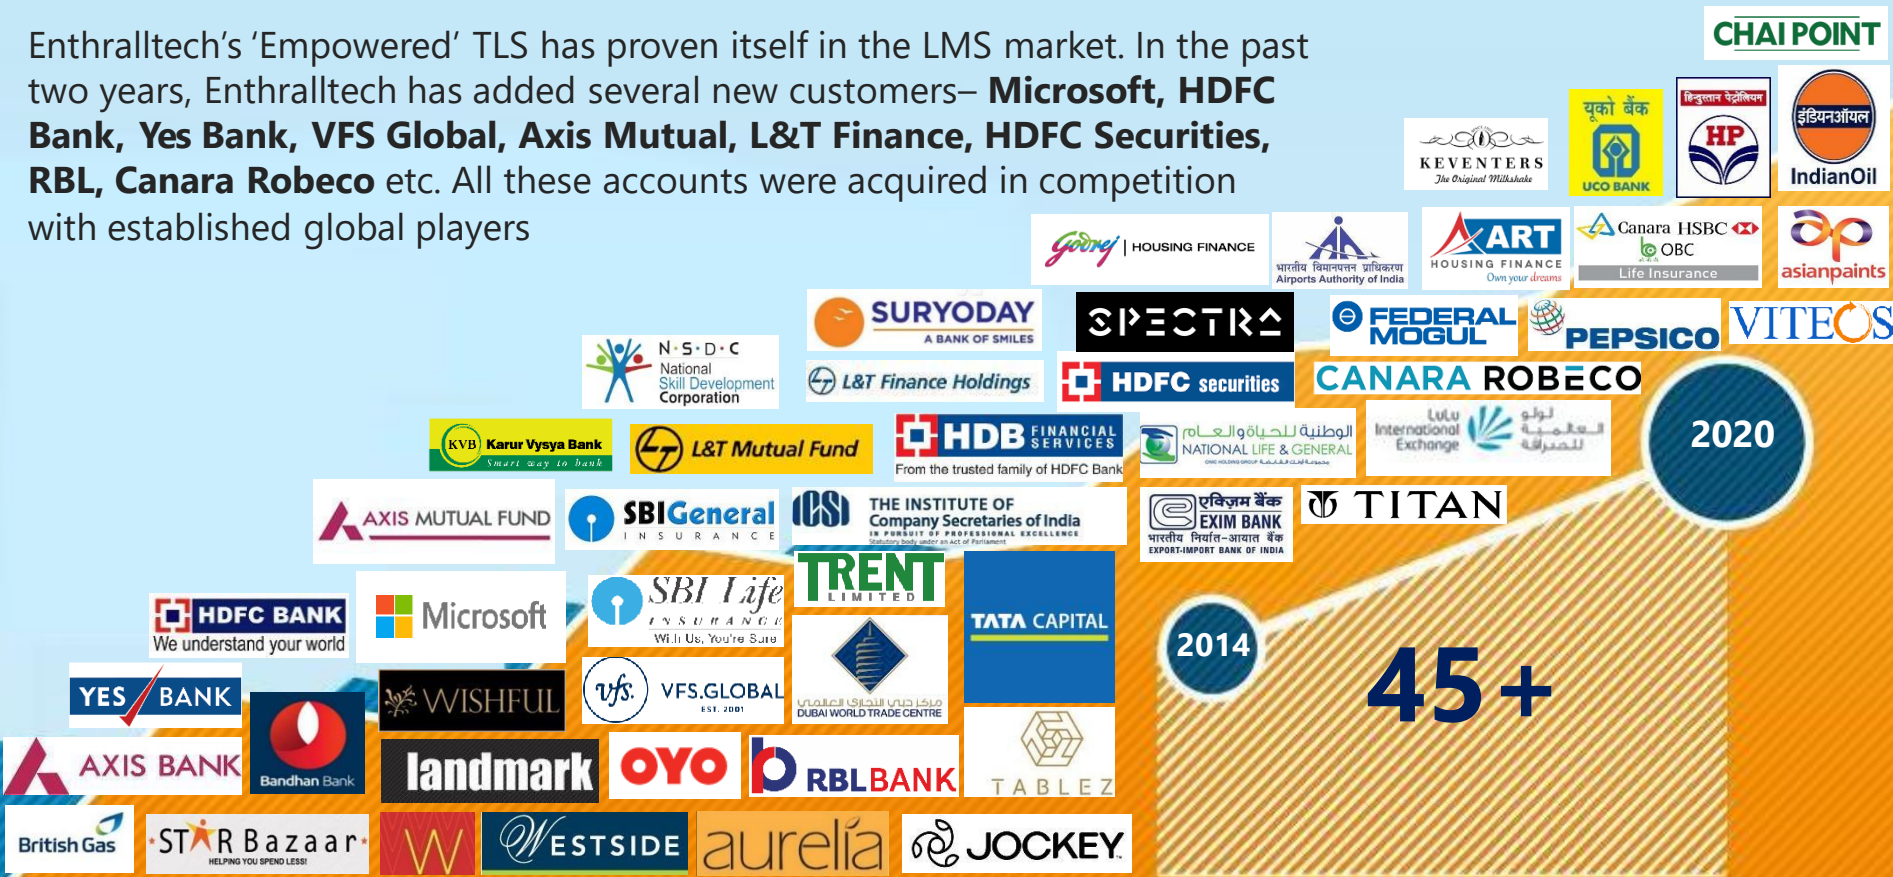

Degreed connects all the world's best learning experiences — systems, content, people — so they can all work better together.

For you and for your employees.

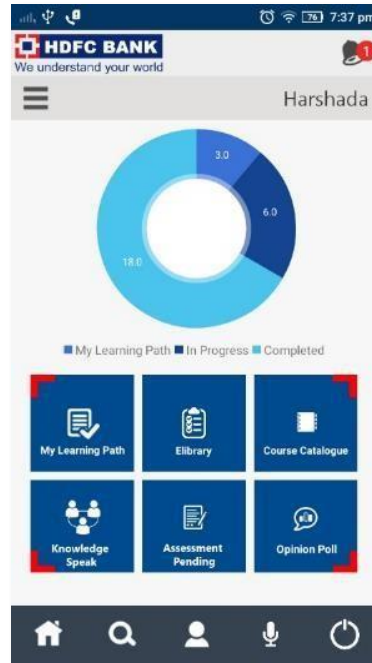

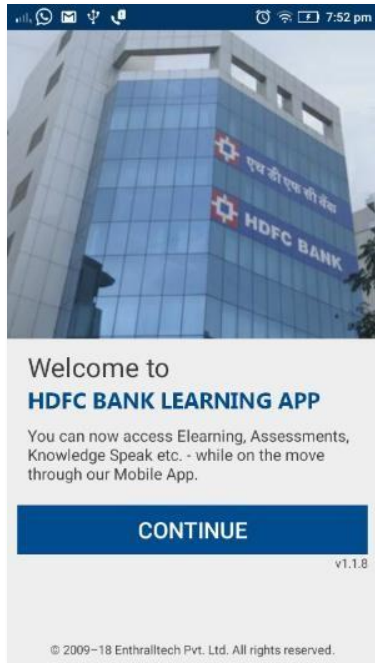

**EMPOWERED LEARNING SYSTEM**  
+  
**EXTERNAL TRAINING CONTENT**  
+  
**INFORMAL LEARNING ECOSYSTEM**

Enthralltech's 'Empowered' TLS has proven itself in the LMS market. In the past two years, Enthralltech has added several new customers— **Microsoft, HDFC Bank, Yes Bank, VFS Global, Axis Mutual, L&T Finance, HDFC Securities, RBL, Canara Robeco** etc. All these accounts were acquired in competition with established global players

'Empowered' has a proven track record

- Web based collaborative platform with dedicated mobile APP for 100,000+ Employees
- Supports Multiple content formats
- Hosted on Microsoft Cloud
- Integration with multiple HR systems including SAP
- It's trackable: organization can measure activity & ROI

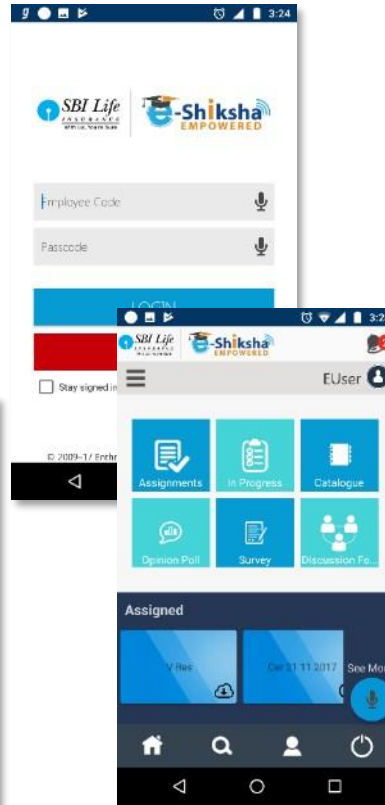

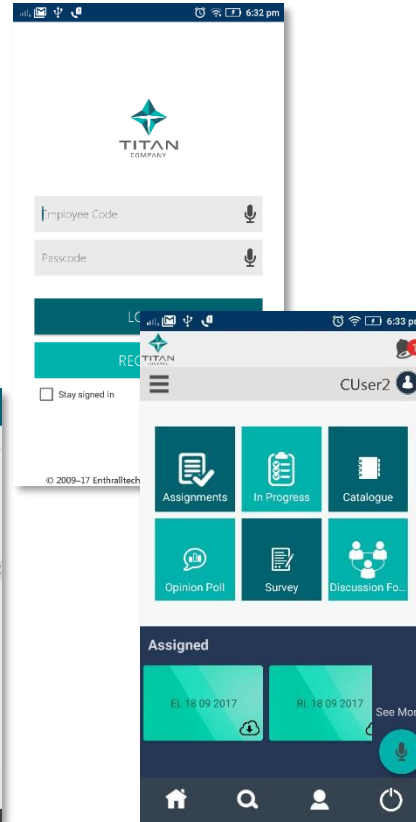

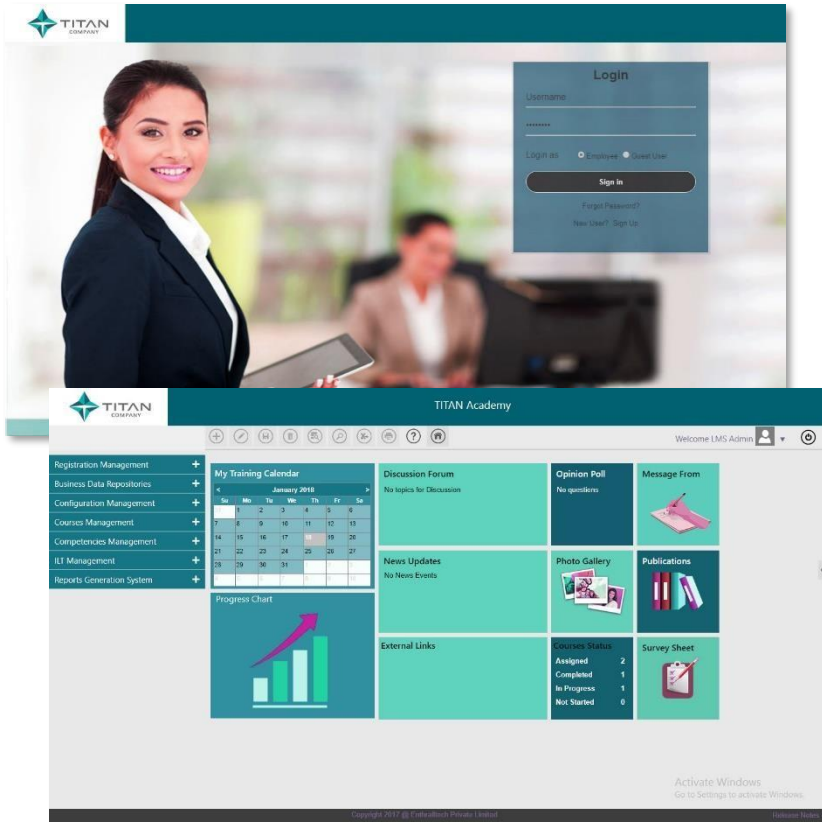

- Sales Training for frontline staff using Mobile App with Gamification
- App created in Mandarin and Arabic to serve the EMEA audience
- Competition, Leaderboard, Recognition and Certification
- Able to turn a mundane task into a challenging, competitive game that engages users while they complete their training

The screenshot shows the VFS Global Learning Management System dashboard. At the top, there is a navigation bar with the VFS logo, the text 'VFS GLOBAL EST. 2005', the title 'VFS Global Learning Management System', and a user greeting 'Welcome Jays' with a 'Log Out' button. A left sidebar contains navigation links: Home, Dashboard, My Profile, and My Interactions. The main content area features a 'Dear Champion' message with a profile picture and a welcome text. Below this, there are three columns of content: 'Training Brochures' with an image of papers, 'Publications' with a 'Management Develop...' article, and 'News Updates' with a 'VFS Global to launch mob...' article. A 'Training Calendar' widget shows a calendar for December 2015. At the bottom, there are 'External Links' and a copyright notice: 'Copyright 2009-15 @ Enthraltech Pvt. Ltd.'

*"This course was one of the smoothest projects I've worked on. Turn-around on deliverables was quick, you sought clarification on issues immediately and provided great direction to help guide us through options. Thanks for your professionalism and for delivering a great end product!"*

**Publishing Solutions Team Microsoft**

*"I have been responsible for onboarding many resources to CP/Chronos and Enthralltech's team has been very helpful resource to me in getting this accomplished. Thanks for all of your team's hard work!"*

**MCS Canada Operations Specialist -  
Global Enterprise Services Operations  
Microsoft**

*"I've had a quick look at this this morning, worked through one module. Firstly let me say I'm very impressed - it looks like a well structured format that takes people through in a logical way, and it's slick and professional."*

**Head of Safety Engineering  
BG Group**

*"The Config Management piece has been well received and is being used successfully. I'm told that one of their HR colleagues remarked that it was "the best piece of eLearning they'd seen", so congratulations and thank you to you and your team! We really appreciate the hard work and extra time that your team put into supporting this."*

**Deutsche Bank, UK**

*"Thank you for high quality of localization – it's not often even for Russian companies! Could you be so kind to provide me with price list for your services to be able to budget potential expenses. We have some tasks for coming months however I am not sure that we have corresponded budgets."*

**MBS SMS&P Microsoft - Russia**

*"They have been terrific to work with – brought the projects in on-time and on budget – and very knowledgeable and attentive to our needs. They also have relevant experience and are used to collaborating with different LMS's"*

**Solution Financing Team Microsoft**

*Enthralltech implemented their Microsoft Azure based LMS, for the L&T Financial Services Group of Companies. Empowered being a true enterprise scale web application that encompasses the client enterprise, its group companies, Enthralltech's LMS was able to integrate well with multiple HRM systems and implement a 'single sign on' for all learner of the 'L&T Financial Services Group Employee Portal.' Rich feature list of the LMS including assessments and certifications and its well-developed reporting module made learning management easier.*

*With Enthralltech's LMS, we could translate our learning strategy across group companies into action. L&T Financial Services Group could seamlessly take care of all technology enabled learning needs. We have had a good experience with Enthralltech and have renewed our contract with them."*

**K. J. Paul, Head L&D, L &T Financial Services**

***A powerful tool to deliver gamified learning on mobile device.***

*Flexible to cater to the different need of different employee base. The team was able to flex and provide a solution to our specific need.*

**Head Talent Management  
PepsiCo**

***Its a great platform for early learners . It has opened new possibilities for us.***

*Its very simple to use and has lot of things to make it exciting for the users, especially post the revamped version, its all the more fun.*

**Head L&D  
TCNS**

***It is more functional and avoids clutter of the features.***

*User centric approach while developing the LMS. People find it very useful. Team is open to consider the suggestion basis ongoing learning and works with client to make it better.*

**Sales Readiness Team  
Asian Paints**

Thank you!
