We are Reimagining HR

Our mission is to simplify HR management with solutions tailored to your unique workforce.

KAMI Workforce revolutionizes workforce management with innovative HR software that empower businesses to increase efficiency, reduce costs, boost productivity, and maximize their workforce potential. Our **powerful, flexible, and scalable** HRMS can be tailored to businesses of all sizes.

We are a trusted partner for our clients to achieve their goals by investing in their most valuable asset - their people.

- +20%** in employee productivity
- 40%** savings in admin costs
- +50%** boost in employee retention

Our solution

Full-suite HRMS

Core HR
Central and secure cloud-based hub for employee data and HR processes.

Expenses
Streamline employee expenditures and automate reimbursements.

Payroll
Streamlined to automate employee contributions, taxes and disbursements in minutes.

Benefits
Hassle-free system integrated with your payroll to manage employee loans and repayments.

Attendance
Real-time employee attendance tracking, manage policies and streamline leave requests.

Tasks
Effectively manage tasks to boost team collaboration and productivity.

Performance
Effective employee assessment and KPI tools for employee growth.

Tech-powered HR Services

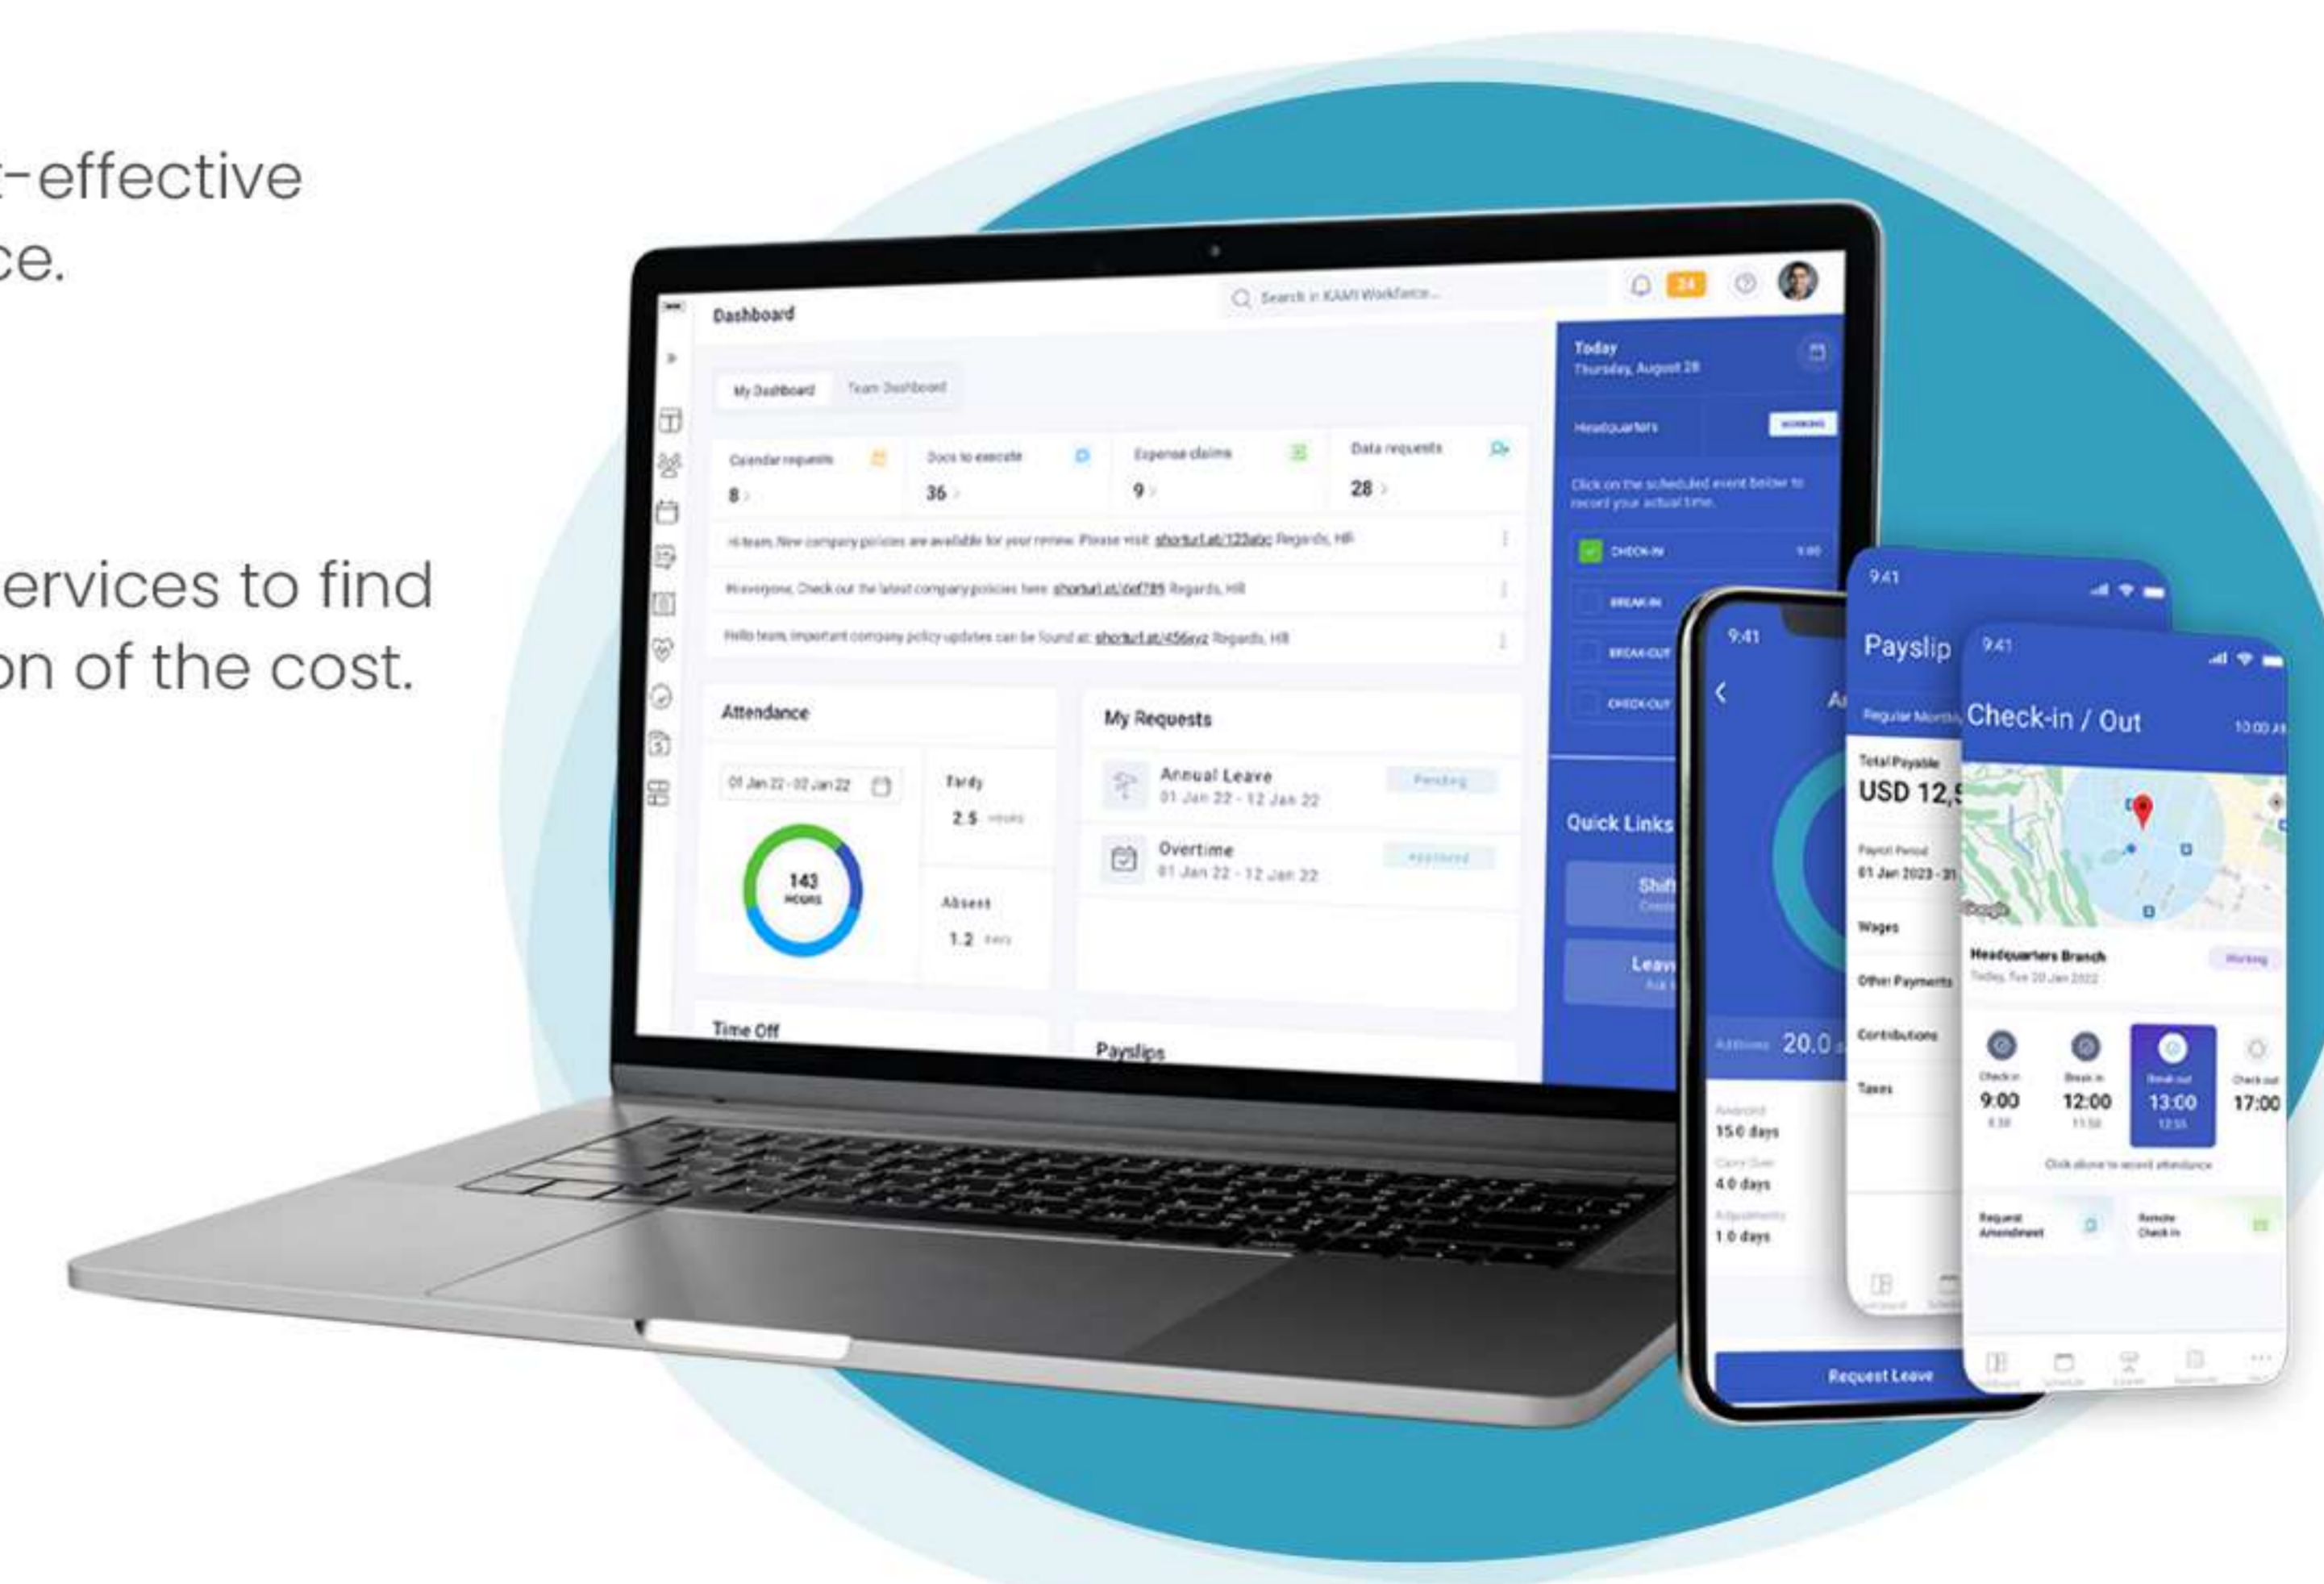

Remote Teams
End-to-end service for your international hiring needs, including Employer of Record, payroll, compliance and people management.

Managed Payroll
Comprehensive and cost-effective payroll outsourcing service.

Recruitment
AI-powered recruitment services to find the best talent at a fraction of the cost.

Why **KAMI Workforce**?

Tailored Solutions

Experience innovation with KAMI's expandable solutions tailored to your business, transforming your HR operations for lasting success.

Hyper-flexibility

Our ultra-configurable system swiftly adapts to your evolving needs, ensuring seamless scalability when you expand effortlessly to our full suite of solutions.

Extensive Functionality

Solve complex requirements with our system's extensive functionality to handle intricate policies and processes, and powerful real-time bulk processing to execute workflows in minutes, not hours.

All-in-one Convenience

Simplify HR management and say goodbye to multiple software with our unified, full-suite HRMS.

High ROI

Experience over 10x ROI through increased productivity, HR cost savings and satisfaction with KAMI.

Why our clients love us

Manual processing of attendance to payroll used to take us **5 days**. With KAMI Workforce, it only took us **2 days** for the entire process even after we've expanded and doubled our headcount!

Francisco Valeria
Head of Human Resources
Mr. Freeze Tube Ice Inc.

5 stars for KAMI Workforce! It's easy to use, and their after-sales support is incredibly responsive and helpful. It has truly enhanced our business, making it more efficient, effective and error-free.
