

Privacy Policy

At Tech Unicorn, CX Unicorn, BotCast, & Unicorn Digital Courtroom, we believe that privacy is a right. We want to empower our users to be the masters of their identity.

In this privacy policy, we want to help you understand if/how BotCast – Unicorn Digital Courtroom – Tech Unicorn ("Unicorn," "we" or "us") collects, uses, and processes information about you when you use our sites, mobile apps, and other online products and services (collectively, the "Services") or when you otherwise interact with us or receive a communication from us.

Tech Unicorn, CX Unicorn, BotCast, & Unicorn Digital Courtroom, does not store or host user identities, profiles, or any data.

User authentication is done with users' active permission and participation and via encrypted tokens. Encrypted tokens are used to identify & authorize you for every session you sign in for.

Your identification is carried out by the entity that you are registered/provider of the service with (not with Tech Unicorn, CX Unicorn, BotCast, & Unicorn Digital Courtroom) and we don't host or store any data on behalf of the Clients, Businesses, Courts or Government Agencies that we work with.

All data governance, compliance, storage, and identity management are handled by the entity that you are registered/provider of the service and not by Tech Unicorn, CX Unicorn, BotCast, & Unicorn Digital Courtroom.

We do not store any kind user information or share it with anyone.

If you want to create, edit, disable or delete an account you will need to visit the Entity, Client, Business's, Courts or Government Agencies' website, as we don't manage it at Tech Unicorn, CX Unicorn, BotCast, & Unicorn Digital Courtroom.

All analytics, event logs and application health and security data are stored on the Entity,
