

An Industry Leading PBP Filing and Compliance Solution for Medicare Advantage Health Plans

- Is your Medicare Advantage product configuration manual, repetitive, and error-prone?
- Do your ANOCs, EOCs, and SBs have long review cycles?
- Do you foresee a high risk of penalty due to manual and error-prone processes?
- Do you use third-party services/tools that provide minimal visibility or ability to absorb last-minute changes?

Current State of Medicare Benefits Plan Management

Multiple sources of truth for benefits data

Manual data entry

Error-prone and non-compliant documents

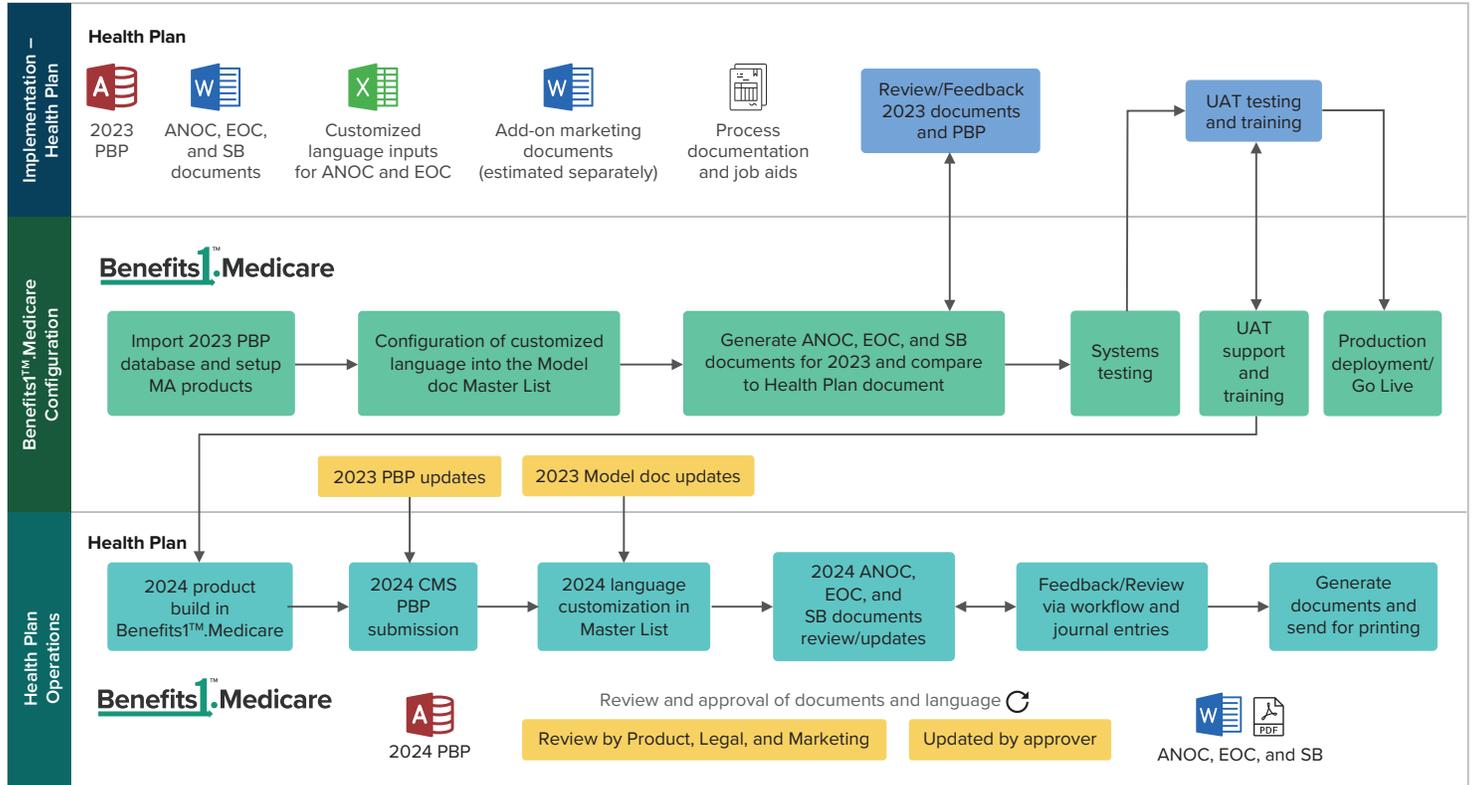

Integration challenges with third-party applications

Our Solution

Benefits1TM.Medicare — a Medicare market-focused configuration of Benefits1TM Platform, is the industry's first CMS PBP integrated Medicare Advantage product configuration and document automation solution managing 30% of the total nationwide PBP market share.

Challenge	Benefits1 TM .Medicare Capability	Value
Multiple Sources of Truth	Manage all product and benefits data in a single source of truth.	Seamlessly collaborate and design accurate Medicare Advantage benefit plans.
CMS PBP Bid Submission	Future proof managing 13,000+ fields of CMS bid package with robust versioning and validation capabilities.	Reduce the risk of errors, filing challenges, and member frustration.
End-to-End Compliance	508-compliant document automation engine.	Composing accurate and compliant ANOCs, EOCs, and SBs.

Medicare Benefit Plan Management Simplified by Benefits1TM.Medicare

Benefits1TM.Medicare is:

<p>Easy to implement</p>	<p>Take advantage of ready-to-use base setup, business rules, and workflows.</p>
<p>Business-friendly</p>	<p>Benefits1TM.Medicare can be configured according to your business. Select from a list of add-ons that suit your business to address your pain points and maximize investments.</p>

Power a connected benefits journey with integrations

Extend the capabilities of Benefits1TM.Medicare with a host of integrations to achieve end-to-end lifecycle management of your Medicare Advantage products.

•DataServices

Use relational database to drive reports and analytics on the source of truth data or communicate it in a model that is easily consumable by target systems.

•IntegrationHub

Use API and events to communicate data in a model that is easily consumable by target systems.

•Insights

Enable market comparisons for portfolio design or validation.

•Actuary

Accelerate actuarial inputs to benefit plan design changes and portfolio ideation.

•SuperUser.Studios

Empower superusers to maintain design, rules, and workflow configurations while also establishing governance.

•Sales

Enable sales and sales ops to customize benefits for EGWP via seamless integration with a sales CRM system.

Service1TM

Deliver accurate and complete answers to members, providers, employer groups, and brokers/agents for benefit inquiries.

Claims1TM

Enable automated claims configuration, code set level configuration of benefits, and testing to support claims adjudication.

Experience1TM

Automate dynamic content generation and stream accurate, compliant, and consistent benefits data across the enterprise.

Benefits1TM.Medicare enables Payers to deliver a connected benefits journey for their Medicare Advantage health plans.

Customer Testimonials

Benefits1TM.Medicare infused efficiency in every process of Medicare Advantage plan management. It gave us a significant competitive advantage as we were able to build product and communication documents accurately and fast. We became the first company to publish plans on the Medicare Advantage marketplace.

– Director, Marketing Communications

Simplify Healthcare is a long-term strategic partner and a key part of our ecosystem. In the past three years, Benefits1TM.Medicare has consistently helped us manage our Medicare Advantage products with ease. However, the new VAP service takes the whole experience up a notch. We want to continue using VAP year-on-year.

– VP, Marketing Communications

We were incredibly happy with the Simplify Healthcare team and their ability to think outside the box. They were super-responsive, working with us to get accurate outputs, in a timely manner. We also appreciate the full transparency on open issues. Benefits1TM.Medicare has been a game-changer for us!

– Product Manager, Large Health Plan
