

ENTERPRISES ARE LOOKING FOR A WAY FORWARD, THAT WILL DELIVER BUSINESS BENEFITS WITH CERTAINTY AND WITHOUT IMPACTING DAY-TO-DAY OPERATIONS.

**BUSINESS VALUE**

**UNEXPECTED CHANGE MITIGATION MOVE TO CLOUD**

**VMWARE EXIT TO AZURE**

- ▶ Capgemini is focused on turning an unexpected event into a driver for change that enables businesses to modernize and take advantage of the latest technologies and services available from Microsoft.
- ▶ We help our clients focus on mitigating negative impact and accelerating next steps to meet the evolving needs of modern businesses.

**ALIGN THE BUSINESS**

Establish a fact-based foundation for management decisions, align stakeholders and identify risks related to the VMware license changes.

**TRANSLATE STRATEGY INTO ACTION**

Data-driven insights to plan an optimal path forward.

**ACCELERATE MIGRATION AND MODERNIZATION**

Modernize critical IT processes and infrastructure to help you exit legacy and realize the value of cloud sooner.
