# Copilot for Microsoft 365 Jumpstart Workshop

## — About RSM:

RSM, with over 51,000 people in 123 countries, delivers the power of being understood to our clients, colleagues and communities through world-class audit, tax and consulting services tailored to meet the unique needs of middle market businesses.

## — What we offer

Join RSM for a personalized exploration of Copilot for Microsoft 365, designed to enhance your business processes with the power of AI. Your jumpstart Champions will engage in comprehensive training and hands-on sessions, evaluating the Copilot user experience for familiar business scenarios, and evaluate your environment for potential data exposure risks.

Next, we will explore opportunities to optimize Content Governance in preparation for AI.

To conclude this Jumpstart, we will review our findings, address any potential data risks, and strategize for the full implementation plan.

Jumpstart your Copilot experience with RSM and prepare for your AI destination.

As a trusted advisor to more than 2,000 clients across the country, RSM has the experience to guide you to technology solutions that will keep pace with your business as it evolves and grows.
