What differentiates us?

ALTRON
DIGITAL BUSINESS

1 **End to End AI Solutions Provider**

From Strategy to Infrastructure to Licensing to AI Solution development

2 **Unique AI Governance Framework**

A holistic AI Governance Framework beyond Ethics and AI SW Dev.

3 **Not only AI – an Integrated Data/AI Capability**

AI needs accurate, relevant Data – we do both.

4 **Data Science and AI**

We can deliver Predictive Models, Learning Models, know when to use which one - and provide expertise in Feature Engineering.

5 **Licensing Advisory**

One of only 7 Microsoft LSP's in South Africa.

Leading conversations on Copilot.

6 **Multi-Cloud Ready**

Provide expertise and experience across Cloud environments – Azure, AWS and GCP, with HCP next.
