The Cherry Bekaert Difference

We are a trusted company that's been in business for 75+ years. We bring expertise and empathy in our service of leaders across the C-suite. But not just in Finance. We also bring expertise in Operations (process automations, controls, governance), IT (ensuring foundations in data and digital are in place), and even product innovation – helping navigate the complexities of product design, development, testing, marketplace launch, and go-to-market.

About Cherry Bekaert
