

Welcome to RapidLaunch!

Welcome to the RapidLaunch Hub, the heart of your Dynamics 365 implementation journey.

Here, you'll find everything needed to enhance our weekly sessions: the Getting Started Guide, RapidLaunch schedule, weekly training materials, and links to additional resources.

Training materials, along with weekly activities and assignments, will be updated each week to ensure you have the latest content for an engaging learning experience.

We're looking forward to getting you up and running with Dynamics 365 in just 5 short weeks. To get things rolling, please take a moment to explore the [Getting Started Guide](#) now!
