

Microsoft 365 Copilot Readiness Workshop

Technical Readiness

In the ever-evolving landscape of the IT industry, keeping up with the newest advancements can be challenging.

At Crayon, we recognize the imperative of aligning with the global heartbeat. Beyond our vast array of services and certifications, Crayon is deeply rooted in Cost Optimization, Cloud Advisory and Data & AI culture. This positions us perfectly to understand customer needs and offer insightful solutions in data analysis and AI potential.

With experience of 300+ Applied AI projects and managing +60 LLM projects, we understand necessity of precautions. We are committed to responsible AI practices and to the core principles of Cloud Security, ensuring robust information and data protection.

- Your guided experience to a smooth and secure integration -
