eGroup | ENABLING TECHNOLOGIES

together we make IT happen

DEFINE YOUR DATA PRIORITIES WITH OUR TEAM OF EXPERTS

with eGroup Enabling Technologies Data Action Accelerator Workshop
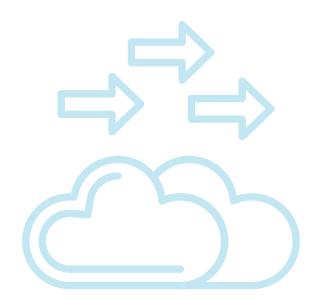

ACTION ACCELERATOR WORKSHOP OVERVIEW

DAY ONE: DISCOVERY SESSION

- Identification for up to ten data initiatives currently under consideration. For each identified initiative:
- Outline objectives/outcomes
- List stakeholders
- Understand status and desired timing
- List known gaps and issues
- Obtain a high-level understanding of existing technical architecture

DAY TWO: PLAN DEVELOPMENT

- Outlining implementation options for each initiative with a high-level overview of effort, resources, and cost ranges for each
- Prioritize the initiatives and place them on a roadmap
- Deliverables: Prioritized Initiatives List & High-Level Implementation Plan

70%

OF ORGANIZATIONS WORLDWIDE HAVE USED MICROSOFT AZURE SINCE 2015

SIGN UP FOR A DATA ACTION ACCELERATOR WORKSHOP TO RECEIVE A PRIORITIZED LIST OF DATA INITIATIVES IN YOUR ENTERPRISE, AS WELL AS A HIGH-LEVEL IMPLEMENTATION PLAN.

MODERNIZING DATA REQUIRES 5 ELEMENTS

DATA STRATEGY

Outlines the role that data will play in your organization. You must establish these guidelines before venturing further into the data technology itself.

DATA STRUCTURE

Identifying and defining a data dictionary is crucial so that every part of the business knows where to find data, and can trust that it is accurate, relevant, and complete.

TECHNICAL PLATFORM

Implement a scalable, secure, and accessible technology architecture. Decide whether a hybrid or pure cloud solution is best for your business needs.

ANALYTICS AND INSIGHTS

Build dynamic and interactive visualizations that allow leaders and individual contributors to use data in their daily decision-making and business processes.

DATA GOVERNANCE

Design and implement a pragmatic and collaborative governance structure that involves both business and technical stakeholders.
