Making Value Measurable

Screenshots - the basics

Suppeco leverages customer supplier relationships to drive service excellence, actionable visibility, resilience, and automated workflows, to promote innovation and growth across the ecosystem & supply chain.

Suppeco is helping us see how all those things are infinitely more achievable by unlocking our supplier relationships and exploring what we can do together to deliver the business outcomes that we are all looking for.

Simon King, Head of Operations & Supplier Management BAE Systems Digital Intelligence

Infinite value creation

Completely reciprocal

Increase mutual trust

Drive collaboration

Better communication

Increase automation

No customisation required

Fast and efficient set up

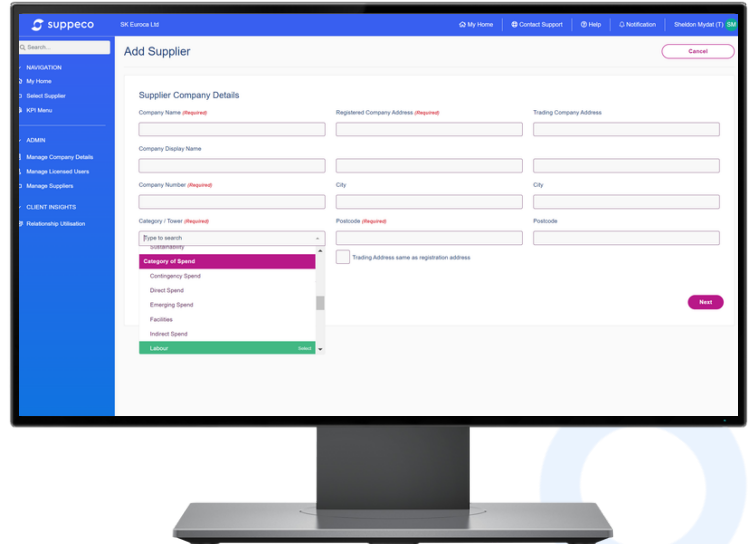

Day one value creation

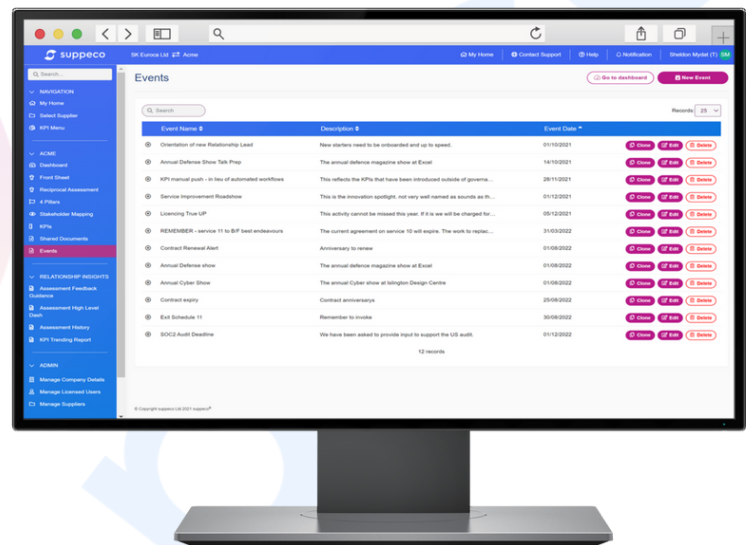

Supplier and people on-boarding

Suppliers, people, teams, and their categories & towers on-boarded easily and cleanly, either manually individually, or at scale via CSV/API By Customer or by Suppeco.

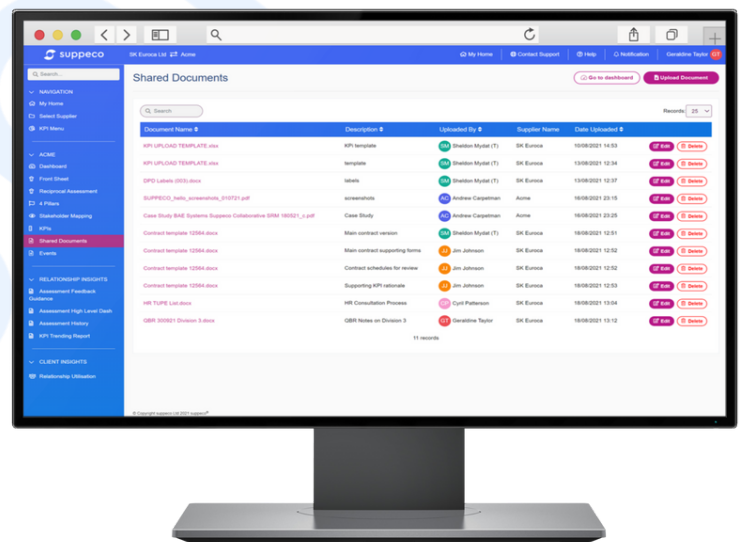

Contract events management

Contract / audit and events management set and optimised through auto-repeats and workflows to ensure never missing expiries, audits, compliance KPIs or SLAs.

Document storage and collaboration

The differentiator

3% - 10% savings annually

Live and frictionless collaboration across every aspect of relationship and performance monitoring on Suppeco has been shown to unlock an additional and incremental saving of 3-10% annually.

25% - 33% term value retention

Suppeco's structured approach to relationship optimisation has been shown to return as much as 33% in value retention over term.

Our customers

Our customers are organisations who appreciate the importance of going beyond contract performance. They require substantially more than a contracted profit margin. They seek to drive exponential value through the top line – a truly reciprocal relationship, exploring trust, value, innovation, enhanced collaboration, shared R&D, shared values, and thought leadership.
