Lupin Digital Health: Kalpataru Inspire, 3rd floor,
Off Western Express Highway, Santacruz (E), Mumbai - 400055.

India's **1st** & only **digital home-based Heart-Care Program**

Designed by your Cardiologist for your improved heart health

Keeping the **vital** connections alive

An entire team of experts

to ensure better heart-health

Personalised care by your Cardiologist

- To customise your therapy over time and keep track of your heart-health
- Teleconsultations and chat channel
- Scheduled follow-ups and appointments (online and offline)

Dedicated LVFE Care Managers

- To provide counselling and guidance for any technical help you may need
- Timely alert for out-of-range readings
- Coordination with doctor and caregiver when needed

Health Coach involvement

- Periodic sessions with your Health Coach on a personalised diet and exercise plan
- Continuous learning sessions based on your heart health condition

Caregiver involvement

- Your loved ones can now monitor your heart-health
- Equipped with vital information, your caregiver can take corrective measures to prevent cardiac episodes

Get what you need

for your heart-health, through assistance

Emergency services

- Auto-triggered SOS that initiates emergency protocol
- Equipped ambulances to handle cardiac events

Health mall

- To remind you and order medicines that will be delivered to your doorstep

Simple solutions

- Your Cardiologist will get real-time readings from your devices, when you take them!
