Copilot in Teams Meetings

The screenshot displays a Microsoft Teams meeting interface for a meeting titled "Core accounts business review" held on March 16, 10:00 AM. The interface includes a navigation sidebar on the left with icons for Activity, Chat, Teams, Calendar, Calls, Files, and Apps. The main content area shows "Shared content" with a file named "Proseware Proposal.pptx" and a video player showing a hand pointing at a screen. Below the video are "Speakers" and "Topics" sections. The "Topics" section lists "Proseware negotiation strategy" and "Core accounts round table". On the right, the "Notes" section is expanded, showing a summary of the meeting generated by Copilot. The summary includes a list of key points: a \$230K revenue shortfall, a 15% inventory surplus, and a discussion of Proseware as a leading opportunity. A "Notes" section below the summary highlights that Beth emphasized the importance of Proseware negotiation and that the team identified a new opportunity with Proseware.
