

# SAFETICA PRODUCT PLANS

Safetica offers three distinct product plans to cater to varying data protection needs.

## Essentials

Know your sensitive data. Discover internal risks. Get security & regulatory audits.

## Pro

Protect data with integrated DLP and Insider Risk Management

## Premium

Optimize your product and account management. Gain better controls for regulatory compliance.

COMING SOON

	Essentials	Pro	Premium
Data Classification	✓	✓	✓
Data Loss Prevention	✓	✓	✓
Insider Risk Management	✓	✓	✓
Cloud Security	✗	✓	✓
Reporting and Administration	✓	✓	✓
Data Retention	Cloud: 6 months On-Premises: Depending on database	Cloud: 18 months On-Premises: Depending on database	Cloud: 36+ months On-Premises: Depending on database
Best-in-class Support	✓	✓	✓

### The first step to data protection:

- ✓ Content and context-aware data classification
- ✓ Discovery of data-at-rest
- ✓ Data flow visibility
- ✓ User activity visibility across email, applications, websites and external devices
- ✓ Audit of user behavior and risk
- ✓ Data security incident detection

### All the benefits of Essentials and:

- ✓ Advanced content inspection through OCR technology
- ✓ Data security incident mitigation
- ✓ Flexible protection policies for email and external devices
- ✓ Application and website control
- ✓ Microsoft 365 protection

### All the protection of Pro and:

- ✓ Extended data retention
- ✓ Enhanced AI-core integration
- ✓ Improved product and account management
- ✓ Additional measures for compliance
- ✓ Customization options
