

COPILOT STUDIO AND COPILOT OFFERINGS

COPILOT VIRTUAL MENTORING

Get there faster with your personal Microsoft Copilot trainer. Have a problem with Copilot you can't seem to solve? Our trainers are here to help.

Or do you have another project using Microsoft Power BI, Excel, or other Power Platform technologies that you or your team are getting stuck on? Call in a training mentor on-demand to help you in sessions as short as 30 minutes or as long as two hours. **Buy a bank of hours and use them for up to a year!**

COPILOT PRIVATE WORKSHOPS

Pragmatic Works Training sessions are personalized, interactive lessons on how to use Copilot to become more productive within Microsoft's products. Choose from a menu of topics that cover various features and functions of Microsoft's tools and learn from a PWT Certified Trainer in live, 30-minute sessions.

Increase team adoption and build experts with Pragmatic Works customized enterprise private training. **Let us help build your future team of experts!**

COPILOT ON-DEMAND

Pragmatic Works' on-demand learning platform is ideal for mastering Microsoft technologies, offering over 135 courses ranging from beginner to advanced, taught by Microsoft MVPs and authors. It covers Power BI, Power Platform, Microsoft Azure, and includes innovative Microsoft Copilot-specific classes like 'Copilot: Transforming Microsoft 365' with more Microsoft Copilot courses in development.

With real-world insights and technical knowledge, our on-demand learning product is perfect for professionals seeking flexible learning to **stay ahead in the industry.**
