

# Take control of your time and income with Myolla

## ✔ **Ready for the real world**

Set up your daily scheduling so it reflects how you work, including adjusting time between appointments, and last-minute changes.

## ✔ **Flexible Service Pricing**

Charge more for senior staff, or create pricing combinations that encourage sales. It's up to you!

## ✔ **Alerts & Notifications**

Get alerts and notifications straight away for bookings, cancellations, changes to staff schedules and more. Including optional SMS bundles.

## ✔ **Access from anywhere**

Myolla is cloud-based so there's no need to download an app. You can access Myolla from anywhere on Windows or iOS, on modern laptops, mobile phones, or tablets.
