### Evaluate

Chatter and laughter danced through the bright woods on this Monday morning. The sun shone on glistening leaves, dark trunks and all kinds of wildlife skittering through the dense undergrowth. Sensing the humans, the mice turned and ran as Eliabeth raced past, Rose, Alex and Eugene not far behind.

...

Has the student used the five senses in their writing?

#### Descriptive Language

Uses all five senses, creating a texture-filled, ✓ rich world

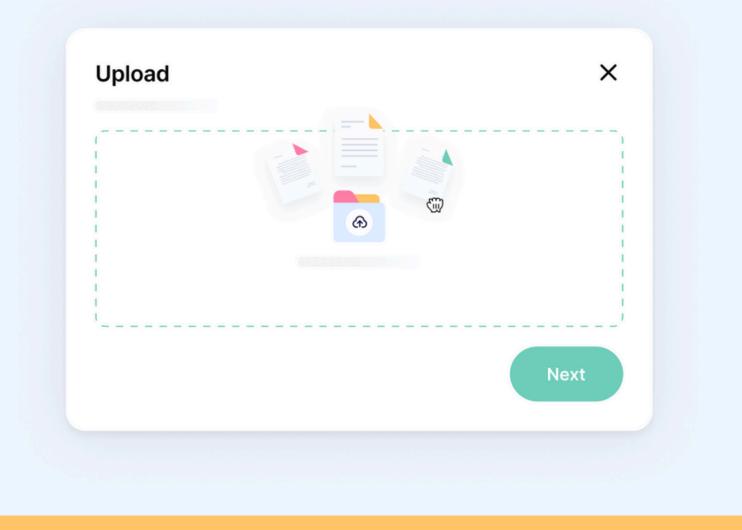

Incorporates four to five senses, creating an immersive experience

Uses two to three senses in descriptions

Clearly define the skills you want to see on a particular task

Personalise your feedback experience with Profesor Mark!

Your story has excellent imagery and

picture of the forest and the children's adventure within it. Phrases like "chatter and laughter danced through the bright woods" and "the sun shone on glistening leaves" really bring the scene to life.
