

Dynamics 365

Solution Assessment

Dynamics 365: Global operations rooted in strong Nordic values

We offer complete Dynamics 365 services for Nordic-based customers in the Manufacturing, Energy, and Wholesale sectors - from advisory to implementation and ongoing support.

Our expertise includes Dynamics 365, Power Platform, and Azure, with dedicated resources for global solution implementation and maintenance.

Key locations outside Nordics:

- India
- Czechia
- Baltics

2023/2024 INNERCIRCLE

for Microsoft Business Applications

The team of **350+ Dynamics experts** globally across Europe and Asia currently working on 20+ implementations
