

## ASHMANOV NEURAL NETWORKS Privacy Policy

**Last updated on 8 April 2019.**

This privacy policy (“Policy”) explains how Personal Information is collected, used, and disclosed by ASHMANOV NEURAL NETWORKS Security LTD. (“ASHMANOV NEURAL NETWORKS, “we” or “us”) with respect to use by website users, training and event registrants/participants, newsletter/information recipients, promotion participants, online community participants, those making product or purchase inquiries and others (collectively referred to as “You” or “Customers” or “Users”) of any Web sites operated by ASHMANOV NEURAL NETWORKS that link to this Policy. It also describes your choices regarding use, access and correction of your personal information.

We reserve the right to change the provisions of this Policy at any time. We will alert you that changes have been made by indicating on the Policy the date it was last updated. We encourage you to review this Policy from time to time to make sure that you understand how any Personal Information you provide will be used.

Please read this policy carefully to understand our policies and practices regarding your information and how we will treat it. If you do not agree with our policies and practices, your choice is not to use our Sites or Services. By accessing or using the Sites or Services, you agree to this privacy policy. Your continued use of the Sites or Services after we make changes is deemed to be acceptance of those changes, so please check the policy periodically for updates.

### **WHAT IS PERSONAL INFORMATION?**

As used herein, the term “Personal Information” means information that specifically identifies an individual (such as a name, address, telephone number, mobile number, e-mail address, or credit card or other account number); information about that individual’s location or activities, such as information about his or her use of the Sites and Services, when directly linked to personally identifiable information; and demographic information such as date of birth, gender, geographic area and preferences when such information is linked to other Personal Information that identifies you. Personal information does not include “aggregate” information, which is data we collect about the use of the Sites or about a group or category of products, services or users, from which individual identities or other Personal Information has been removed. In other words, information about how you use a Service may be collected and combined with information about how others use the same Service. Aggregate data helps us understand trends and our users’ needs so that we can better consider new features or otherwise tailor our Sites. This policy in no way restricts or limits our collection and use of aggregate information.

### **WHAT PERSONAL INFORMATION DO WE COLLECT?**

**Active Collection:** We may collect certain information you voluntarily provide to us which may contain Personal Information. For example, we may collect your name, user name, address, email address, telephone number, other contact and demographic information when you register and set up an account, fill out a form, submit a comment or contact us by e-mail or other means. Personal and demographic information may also be collected if you provide such information in connection with creating a profile, leaving comments, posting content, sending an email or message to another user or otherwise participating in any interactive forums or community features on the Sites.

**Automatic Collection:** Some information is also automatically collected, such as your Internet Protocol (IP) address, your operating system, the browser type, the address of a referring web site, and your activity on the Site. We treat this information as Personal Information if we combine it with or link it to any of the identifying information mentioned above. Otherwise, it is used in the aggregate only. When you use our Software, we will (if available) be able to see the relevant software license key. If the Software is licensed by us, we will be able to link that information with

a specific license for the Software you are using. As for when you use our Sites, when you use our Software, we will automatically collect your IP address and operating system information. We also collect information on features used (such as API) and information on how frequently our Software is used.

## **HOW DO WE USE THE PERSONAL INFORMATION WE COLLECT?**

In general, we use Personal Information to process your requests or transactions; to provide you with information, products or Services you request; and for the purpose for which the information was provided.

Personal Information provided online may be linked together or merged with other Personal Information so that we may better understand your needs and inform you about our products or services.

## **WHAT PERSONAL INFORMATION DO WE SHARE WITH OTHER PARTIES?**

We may disclose aggregated information about our users, and information that does not identify any individual, without restriction.

We may disclose Personal Information in the good faith belief that we are lawfully authorized or required to do so, or that doing so is reasonably necessary or appropriate to comply with the law or with legal process or authorities, respond to any claims, or to protect the rights, property or safety of ASHMANOV NEURAL NETWORKS, our users, our employees or the public, including without limitation to protect ASHMANOV NEURAL NETWORKS or our users from fraudulent, abusive, inappropriate or unlawful use of our Sites.

## **WHAT STEPS DO WE TAKE TO PROTECT YOUR INFORMATION ONLINE?**

ASHMANOV NEURAL NETWORKS has implemented measures designed to secure Your Personal Information from accidental loss, and from unauthorized access, use, alteration, and disclosure. We follow generally accepted standards to protect the personal information submitted to us, both during transmission and once it is received. If you have any questions about the security of your personal information, you can contact us at [info@ashmanov.net](mailto:info@ashmanov.net). We may retain your information for as long as your account is active or as needed to provide you services, comply with our legal obligations, resolve disputes and enforce our agreements.

The safety and security of Your information also depends on You. Where ASHMANOV NEURAL NETWORKS has given You (or where You have chosen) a password for access to certain parts of the Sites, You are responsible for keeping this password confidential. We ask you not to share your password with anyone, and we urge you to be careful about giving out information in public areas of the Sites like message boards. The information You share in public areas may be viewed by any user of the Sites.

## **CHANGES TO OUR PRIVACY POLICY**

It is our policy to post any changes we make to our privacy policy on this page. If we make material changes to how we treat our users' Personal Information, we will notify you by e-mail to the primary e-mail address specified in your account and/or through a notice on the Site's home page. The date the privacy policy was last revised is identified at the top of the page. You are responsible for ensuring we have an up-to-date active and deliverable e-mail address for you, and for periodically visiting our Sites and this privacy policy to check for any changes.
