Who Wins With DeepOpinion

"After failing with solutions from big tech vendors, with DeepOpinion we were able to free up the capacity of FTEs and decreased discovery & response time from 3 weeks to 1 day."

Fatima, Head of Services and Innovation Team, Leading Utility Service Provider

New to Automation

Teams who are new to automation and want to go from 0 to 100.

"We have been using automation platforms but we required more intelligent and scalable solution for our shared services to complement what we already have and take it to the next level, which is why we partnered with DeepOpinion"

- Christoph, Shared Services Lead at MDAX company (Manufacturing)

Automation Pros

Teams who want to increase their level of automation from 60 to 100.
