

Case Study ioFacturo

Marco Navarro Guevara, Personal physical trainer.

With the arrival of mandatory electronic invoicing, I found Gosocket's ioFacturo that fits my needs, I can invoice anywhere, at any time and I can validate that my documents are approved in minutes from the mobile application and complying with all the requirements tributaries.

Win Results

Thanks to ioFacturo, the change to the Electronic Invoice was easy and friendly.

Now I can continue with my routines and training to the maximum without worrying about my financial management.

My invoices are backed up with Microsoft Azure and it gives me peace of mind that they are always available and easily accessible
