meister task

Give Your Team Simplicity.

Teams who use complex tools – or no tools at all – struggle to stay productive. Be better. Keep it simple. Get MeisterTask.

Be less like this: Your team without MeisterTask...

Always searching...
Lana wastes 2 hours every day **looking for information**[1].

Repeating the same tasks
Elise's team loses 5 hours a week **duplicating work**[2].

Overwhelmed by emails
Christoph spends 2.5 hours each day **managing his inbox**[3].

And more like this: Your team with MeisterTask.

More productive
Lana gets more done with organized projects. Look less, work more.

More connected
Elise can see who is doing **what, when.** No more duplicate work!

More in control
Christoph has more time – MeisterTask helps him focus on results.
