

# Say goodbye to unproductive meetings

Fivedays is where your team have productive meetings & 1:1s, set follow-up actions and build knowledge on top of your Office 365 subscription.

[Register for the beta](#)

Fivedays is currently in beta testing with a limited set of 100 companies worldwide. At Fivedays, we love to hear from our users and we are dedicated to build a tool solving real business issue and making your company/organisation more productive. If you want to take part of it, you can [join the beta](#) or follow the evolution on [ProductHunt](#).
