SMX Management & Analytics

“We implemented SMX in mid-February 2014. The changeover went very smoothly and we are very happy with both the product and the service.”

Debbie Manktelow
Operations Manager, Information Services
Waikato District Health Board

“We’ve gone from receiving a high volume of targeted whaling and phishing email to virtually nothing. SMX said they could solve our issues, and they have.”

Steve James
General Manager of Technology
Les Mills International

“It’s a powerful tool, and easy to manage. And we don’t have to invest a lot of time or resources to manage it – it pretty much looks after itself.”

Reyna Ramirez Montes
Security & Compliance Manager
Genesis Energy

“Compared to all the hassles and costs of running archiving on an in-house server, the SMX cloud solution is a real quantum leap forward.”
