Customer Success Story – Audix Cloud

Luby's®

Audix Cloud made it possible for us to quickly map our Azure footprint and identify unused resources to streamline costs and improve ROI.

- Hospitality/Country Wide (USA)

Win Results

Audix Cloud identified our high cost Azure resources and helped us understand the impact to our bottom line more clearly.

Audix Cloud provides and always up-to-date inventory of all of our Azure resources, including cost status, security and network topology.

Audix Cloud provided us with a complete overview of our Azure compute and storage resources along with their cost in order to have a 360 degree view of our Azure footprint.
