Customer Response

# Visitor analytics

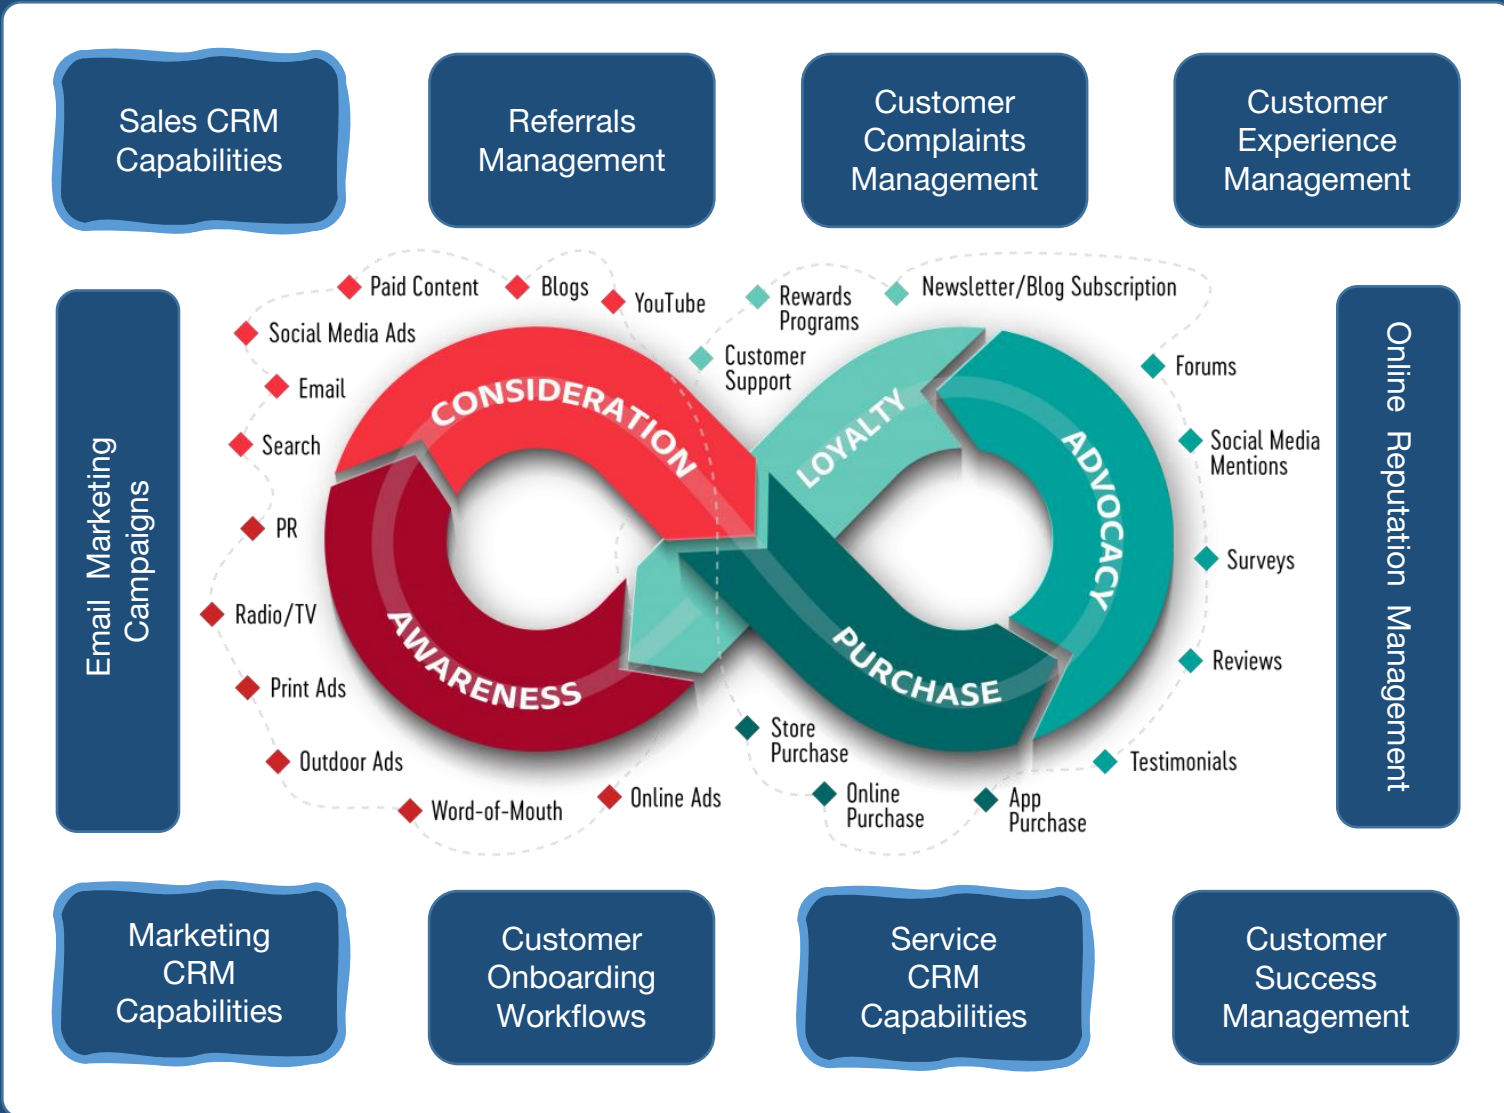

A report on visitor timelines that reveals patterns in visitation over a period of time

A report detailing the priority of appointments

# Emojot enables customer centricity across the customer lifecycle

Customer lifecycle infinity loop:

1. **Awareness** – recognition of a need or problem
2. **Consideration** – research solutions to solve a need or problem
3. **Purchase** – decide on a product or service to solve a need or problem
4. **Advocacy** – spread the word about the greatness of a product or service
5. **Loyalty** – repurchase product or service because of initial satisfaction

### Emojot platform philosophy:

Provide capabilities to place the customer at the center of the business throughout the customer journey.
