How do I rollover my 401k from my pretax account to my roth account?

Cascade

To convert your pre-tax 401(k) account to a Roth 401(k) account, you can follow these steps:
Visit the Benefit Center website.
From the homepage, click on the "Savings & Retirement" tab.
Select "401(k) Savings Plan" and choose either "Convert to Roth 401(k) with Stock" or "Convert to Roth 401(k) Excluding Stock."
