Fortytwo
BY AMESTO

SECURE YOUR FUTURE
ELEVATE YOUR IDENTITY
MANAGEMENT IN THE CLOUD

With Fortytwo`s Managed Identity Services you get a trustworthy and automated synchronization between HR and Microsoft Entra ID of your employees' user accounts, without the need for complex and expensive Identity & Access Management systems. Let us take care of on- and offboarding so you can spend time growing your business.

Fortytwo is a specialized company with highly trained employees in the Microsoft Cloud ecosystem. DevOps, Cloud Native and Open-Source experts, Principal Identity and access management experts, seasoned security engineers and business enablers.
