

Gain valuable insights from smart workplace sensors

Planon Workplace Insights

Improve the well-being and productivity of your employees. Attract and retain the best talent while using space in a cost-effective and sustainable way.

Smart businesses are looking for ways to build their resilience to future disruption. They recognize that improved employee engagement leads to better productivity and helps to attract and retain the best staff. They are paying increasing attention to human interaction, sustainability, health, safety, and well-being.

Enhance working experience

Planon Workplace Insights forms the core of the Planon Workplace Edition – our comprehensive solution for innovative and smart workplace strategists, facility services teams and knowledge workers, to enhance the workplace experience and build business resilience. Planon Workplace Insights may also be added to Planon's Integrated Workplace Management Solution (IWMS).

Make the right decisions

Information captured from smart sensors is analyzed and conveniently displayed, helping you make the right decisions to create engaging and productive workspaces.

Key Features

- Real-time and historical occupancy and environmental monitoring, visualization and analysis
- Drill down to find improvement possibilities:
 - Space overview
 - Occupancy
 - Utilization
 - Environmental values
 - People flow
- Well-being comfort scores

The ideal solution for professional workplace strategists, facility managers, and building occupants

Benefits

Optimize your real estate investment

Reconfigure and right-size based on actual usage.

Improve occupant comfort and well-being

Actively monitor comfort levels based on temperature, air quality, light, and sound.

Reduce building operating costs

Make better decisions faster. Adjust and improve lighting and HVAC levels. Manage cleaning and security services based on actual space use.

Why choose Planon Workplace Insights?

- ✓ **Time to value**
Our rapid onboarding process means you see the first insights within a few hours.
- ✓ **Out of the box**
The predefined views give intuitive answers to common questions, based on almost 40 years of workplace industry knowledge from talented workplace experts.
- ✓ **Easily extendable platform**
Add facilities and workplace management services, employee engagement apps, and global workplace strategy tools.

Coordinating spaces and workplaces with an IWMS
