

Business Central Essentials - CORE 12-Wk Implementation

Pricing: One company standard Business Central deployment \$ 67,500

Our CORE Package builds upon the D365-BC Essentials Package and is perfect for organizations with an experienced bookkeeper or CFO/Controller that require core financial processing!

The project includes the deployment of a **Microsoft 365 Business Central** environment for the management of one company.

The scope of the project includes:

- Setup of one company for this modules
- General ledger and finances
- Customers and sales
- Vendors and purchases
- Items and Resources
- Training of the users
- Support for go-live

***Customizations are not included in the scope of the project.**
