# fiskaltrust.

## Fair Use

- + Cloud CashBox as receipt creator and as a backup for RT devices
- + Billing per location per year
- + Up to 25 cash registers per location

At least one CashBox must be operated per company.  
Non-compliance can result in restrictions on operations.

## Support

- + Support point of contact for cash register dealers: one face to the customer
- + fiskaltrust offers background support for individual test cases
- ! No direct cash register operator support from fiskaltrust

The cash register manufacturer or retailer knows his customer (cash register operator) best. Therefore, support here is directly bidirectional between these parties. fiskaltrust only provides support to the cash register manufacturer and dealer
