

# Harness AI. Free the lawyer.

Contracts are foundational to any successful business. But as legal teams know, managing them can be a challenge.

ContractMatrix streamlines contract drafting, review and analysis. It creates efficiencies across businesses, saving time, cost, and risk.

Generative  
AI-assisted  
interrogation  
and drafting

Real-time  
access to your  
gold-standard  
precedents and  
policies

Inbuilt risk  
management  
and governance  
designed by  
A&O lawyers

ContractMatrix lets lawyers harness the power of generative AI, freeing them to focus on what they do best: smart, fast decision making.
