Regional Impact on Corporate Social Responsibilities

- Our Nagercoil's office in India is in a Tier-3 City
- Having fewer job opportunities
- Lower wages
- Talent drains to Tier 1 and Tier 2 cities
- Focus on financially disadvantaged individuals, female candidates, and single parents from low-income families,
- Social inclusion, women empowerment and economic empowerment within the local community.

- Southernmost tip of the Indian peninsula
- Growing economic and educational opportunities make Nagercoil an important city in southern Tamil Nadu.
