 RETAIL

 POLAND

The screenshot displays the Rossmann dashboard interface. On the left is a navigation sidebar with the Rossmann logo and menu items: Główna, Klienci, Oferty, Produkty, Szablony, Mój profil, and Wyloguj. The main content area is titled 'DASHBOARD' and is divided into two sections. The first section, 'PRZYPOMNIENIA', contains a table with two rows of reminders. The second section, 'TWOJE OSTATNIE OFERTY', contains a table with five rows of offers. The offer table has columns for Numer, Klient, Data utworzenia, Produkty, Wartość oferty, Ostatni kontakt, and Status.

Data	Typ	Klient	Oferta

Evidate for Tauron

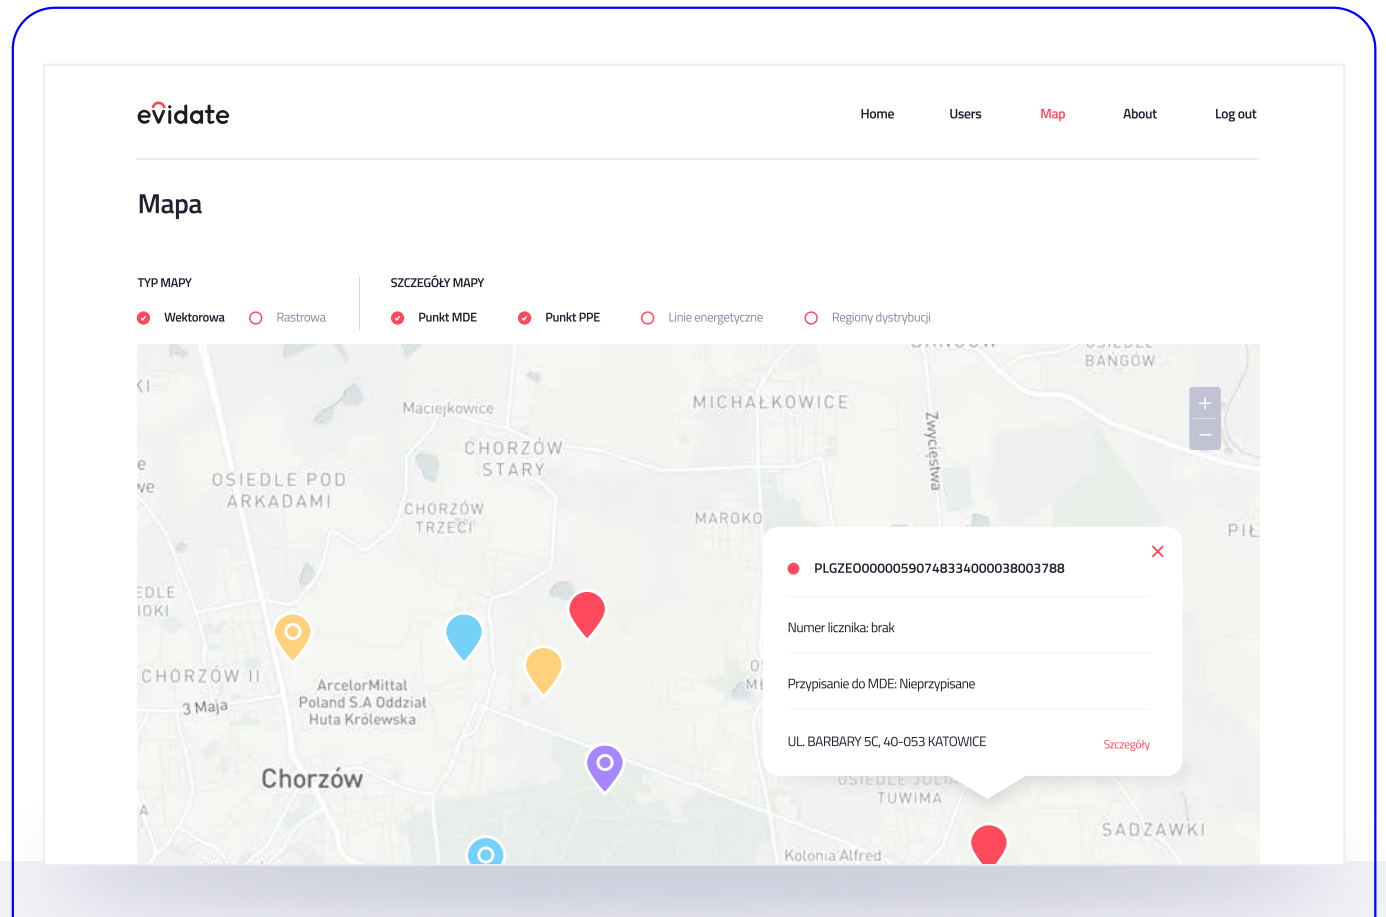

Take inventory and passport technical networks onsite.

 UTILITY

 POLAND

Dual sided tool intended for both administrators and field employees alike. Geolocation inside the mobile app helps track and record important data, e.g. electricity consumption. Administration panel allows managing user accounts and generating reports. The system automatically synchronizes so all the data is always up-to-date.

Scope: Consulting, UI/UX design, mobile, frontend, backend, QA, hardware & accessories.
