

# Documentation on Heath Hero Iframe integration with Dynamics 365.

1. Login to Dynamics 365 online URL
2. Access your Dynamic 365 - Custom, or Sales Hub:

3. Go to Contacts list and click on a contact, you will see contact form, as like below:

After opening record, you will see a new tab on top, "Health Hero" like below :

The screenshot displays the Microsoft Dynamics 365 user interface. At the top, the navigation bar shows 'Dynamics 365' and the current path: 'Sales > Contacts > Benno Kurmann'. The left-hand navigation pane includes sections for 'Home', 'Recent', 'Pinned', 'My Work', 'Customers', 'Sales', and 'Collateral'. The 'Sales' section is expanded, showing 'Leads', 'Opportunities', and 'Competitors'. The main content area displays the contact record for 'Benno Kurmann', with a 'Health Hero' login form embedded within the record. The form includes fields for 'Email' and 'Password', a 'Remember me' checkbox, and a 'LOG IN' button. Below the form are links for 'Forgot your password?' and 'Didn't receive unlock instructions?'. The top right of the interface shows the user profile for 'Anthony Diaz, Owner' and various utility icons.

You should be good to go.
