

Windows Virtual Desktop Remote Worker Offer

Contact Us Today  sales@kizan.com

Microsoft's Windows Virtual Desktop solution facilitates both work from home and other transitions related to the modern work environment.

As we continue to adapt to remote work, we'd like to support our customers with their business continuity plans. During this challenging time, Microsoft is extending a targeted offer for a limited time to customers to encourage remote workers using Windows Virtual Desktop.

**KiZAN is a prioritized
Microsoft partner and we can
execute this offer.**
