

BUILDING TRUSTED
DIGITAL FUTURE TOGETHER

Way more than just an e-signature solution.

Circularo reimagines and streamlines how individuals and organisations prepare, manage and execute contracts and approval documents.

Two great apps in one platform.

Move agreements from start to finish in hours not days.

PREPARE

Create new or reuse existing docs to make them signable online.

SIGN

Just click a link, fill-in and sign. No more printing, scanning and emailing around.

TRACK

Have a full control of what's going on; viewed, signed, pending etc.

MANAGE

Archive, organise and find your agreements with DMS like capabilities.

FASTER

EASIER

SECURE

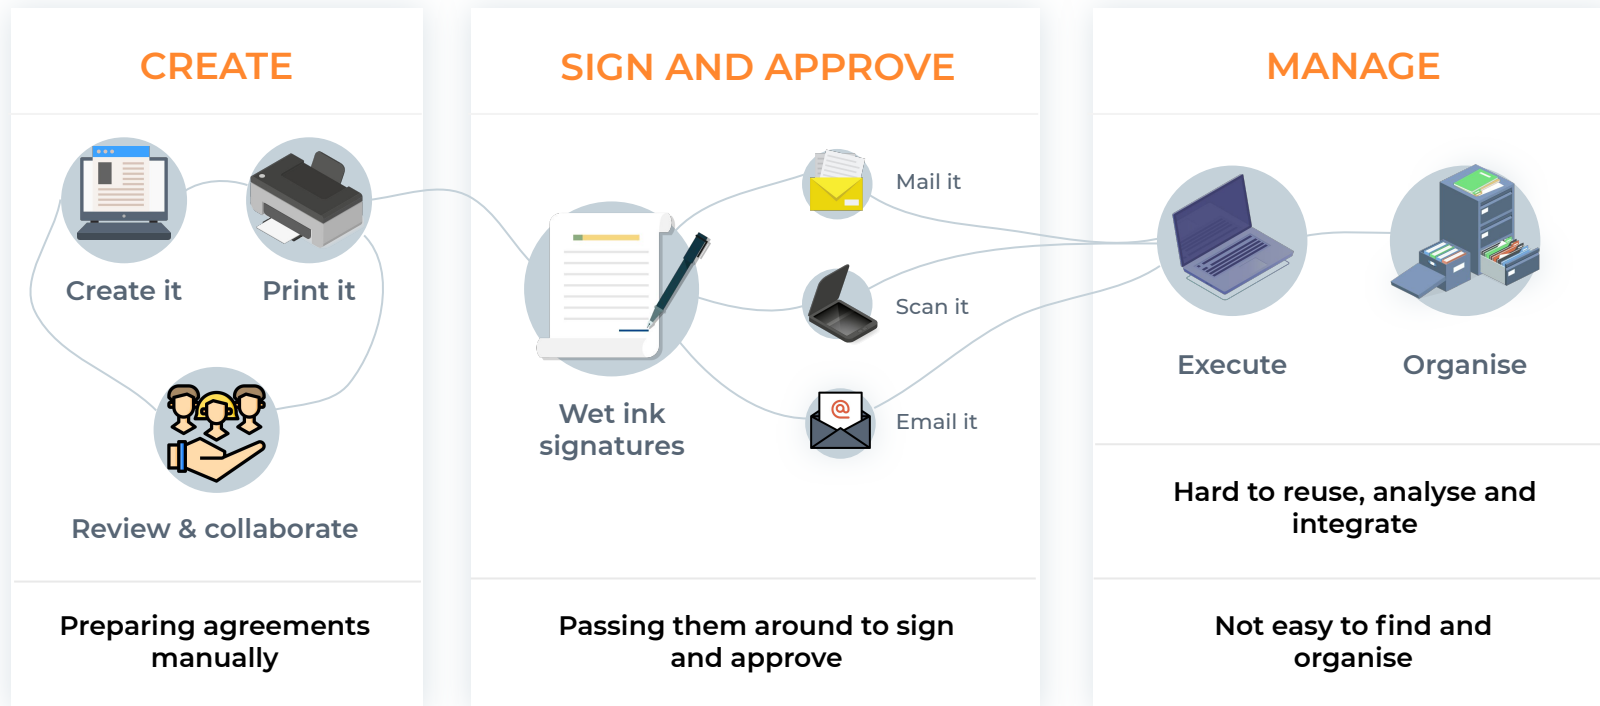

VERIFIABLE

ACTIONABLE

Document signing process. The traditional way.

**SLOW TO
EXECUTE**

**HARD TO
VERIFY**

**LACK OF
CONTROL**

Document signing process. Circularo way.

FASTER TO
EXECUTE

No more printing, signing, scanning, emailing or passing documents around.

EASY TO
VERIFY

Secure, seamless end-to-end digital experience.

A+ CONTROL &
COMPLIANCE

Painless, fast and mobile-friendly.

Circularo is a better way to sign and agree on your documents

FASTER

EASIER

SECURE

VERIFIABLE

ACTIONABLE

FASTER than paper based signatures or sending email attachments for sign offs.

EASIER than printing, scanning and sending contracts via email or mail.

SECURE as no one can change anything, all is tracked and recipient identity can be verified.

VERIFIABLE all signed agreements can be verified to confirm their authenticity and validity.

ACTIONABLE everybody gets exactly what is needed to execute the required document action

Agreement Management

Create, use and organise agreement and approval documents like never before.

Date: 30/09/2019

Signatures & Approvals

Say goodbye to printing, signing and scanning and hello to digital signatures and approvals.

The screenshot shows the Circularo Digital Transformation Platform interface. The top navigation bar includes the Circularo logo, a search bar, and user information for Adam Smith. The left sidebar contains navigation options: Home, Documents, Folders, Drafts, Starred, Recent, Shared, Trash, and Contacts. The main content area displays a list of documents with columns for NAME, STATUS, and LAST ACTIVITY. The documents listed are:

NAME	STATUS	LAST ACTIVITY
prd.com.au-ARUN..	In progress	David 13 hours ago
Generic #34.pdf	Completed	Adam Smith 14 hours ago
contract 2019.docx	Sent to be signed	Pavel Cernoch 14 hours ago
Form 15 - Employ..	Expired	Adam Smith 14 hours ago
Copy of 2008_LIN..	Created	Adam Smith 15 hours ago
Content #8.pdf	Waiting for your signature	Adam Smith 18 hours ago

Way more than eSignatures.

Prepare, sign, track and organise your agreements online in hours not days.

The screenshot shows a Microsoft Word document with the Circularo logo and the following text:

Seamless Office 365 Online Integration

Create, approve and sign any MS Office agreement and documents easily and quickly online using familiar Word, PowerPoint or Excel apps.

Top-notch security and compliance

Compliant with world-class standards of security, privacy, data-protection and electronic signature industry regulations.
