

A man with grey hair, a beard, and glasses, wearing a light blue shirt and a dark tie, is smiling and holding a white laptop. The background is a solid blue color.

You want to easily keep track of your producer certificates?

agiles Producer Certificates is your solution!

Summary

With the agiles Producer Certificates app, you know at the push of a button which certificates your producers have and can always make sure that the certificates you report to your customers are valid. No longer worry about expired certificates!

Target Group

The application enables all companies which use Microsoft Dynamics 365 Business Central to easily manage their producer certificates and to keep track of the expiration dates. Increase the reliability of your certificate management and simplify your work life.

Highlights

- ✓ **Compatible with any producer certificate**
- ✓ **Directly attach any certificate you want to a lot or document line**
- ✓ **Check which certificates have been assigned to the lot your customer received**
- ✓ **Easily set up your producer certificates with the help of wizards**

Benefits

- ✓ **Easily manage your producer certificates**
- ✓ **Keep track of the expiration dates of your certificates**
- ✓ **Increase the reliability of your producer certificate management**
- ✓ **Combine the app with agilesWorkflow to set up practical workflows**
