

Power Microsoft Teams with your current Phone System

Qunifi Call2Teams is a Cloud Service that simply connects your Microsoft Teams users to your existing phone system, just like a regular extension. No hardware or software required.

What is Call2Teams?

Enable users to enjoy the full Microsoft Teams phone and calling experience without disrupting your existing phone system. Qunifi Call2Teams is a Cloud Service that connects your existing on-premise or Cloud phone system to users in Microsoft Teams, just like a regular extension. There's no hardware or software to install and it can be set up in minutes. Bring all users under one collaboration platform by using Microsoft Teams for collaboration, messaging and voice across all devices.

Why customers use Call2Teams

- Deliver the Teams calling experience to users without needing any hardware or software
- Use your current phone system, numbers and facilities. No disruption. Any Call Center or compliance features stay as they are
- A simple monthly subscription Cloud service that can be delivered to selected users or groups.

True Teams Experience

- Add calling to Teams to increase productivity
- Work on desktop and mobile to free your workforce
- The native Teams calling experience is familiar to users

Give users the best of both worlds

Simple Deployment

- Keep your current phone system with all the features you rely on
- No Hardware or Software to install centrally or on user's PCs
- Implement the solution to users and groups that need it

Can be deployed in hours across the globe

Enterprise Level Service

- Global infrastructure in Microsoft Azure
- Around the clock monitoring and support
- Enterprise grade encryption and security built-in

Low risk, non-disruptive, cost effective.

"We wanted a way to deliver the latest Microsoft Office 365 calling experience to our all our Sustainability Strategists, and needed to compliment an enterprise voice platform for all of our business operations. Qunifi's Call2Teams enabled us to deliver a great calling experience to our Office 365 Skype for Business and Teams users without compromising on business tools. And it was set-up in record time."

[Tarryn Magistrelli. Finance & Operations Manager, Futerra Sustainability Communications](#)

With Call2Teams you can deliver a Voice solution that combines Unified Communications and teamwork

Simplified IT in the Cloud delivers flexibility

- Reduce the number of applications needed for users to get the job done
- Increase working flexibility and efficiency - 72% of workers will be working remotely by 2021
- Lower support costs and higher productivity.

Call2Teams brings Microsoft Teams to life

- Voice enabled collaboration is driving in excess of a 50% increase in collaborative work
- 80% of employee time is spent collaborating and 62% connect to meetings using mobile phones
- Business goals are more quickly achieved when people enjoy working together

Preserve the current voice investment

- Current voice platforms deliver wide-ranging business services to many types of users
- Leveraging the current investment to power Office 365 saves on disruptive, costly new infrastructure and services
- Making Microsoft Teams integrate with current business processes can multiply the benefits of collaboration and integration

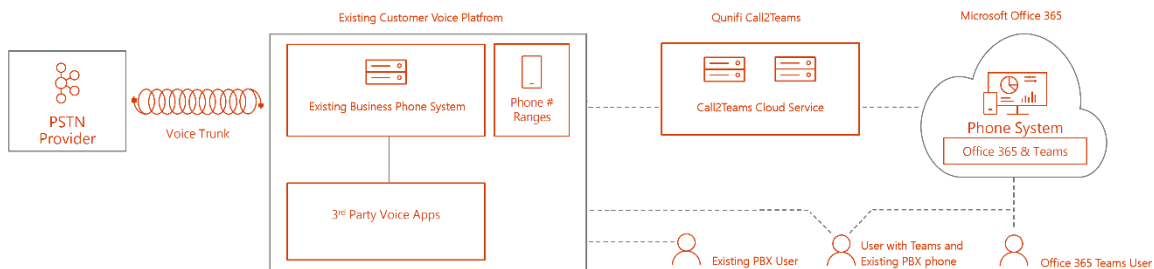

Discover a new way of doing things

Using Call2Teams is the quickest and easiest way to bring calling to your Teams users

Why not give it a try?

- Redefine how your current voice platform is used
- Call2Teams can be evaluated without disruption
- Evaluate the service for 25 users for 30 days.
- Discover the boost your team workers get from a new way of collaborating

Provide enhanced collaborative tools for your teams to deliver a true productivity boost for your projects

- Leverage the existing voice services to power the latest Microsoft Teams features
- Streamline the number of tools your users need to use, reducing cost, administration and training.
- Take advantage of the latest enhanced communications to save costs and increase the level of service your users enjoy

Why Qunifi?

We're passionate about Unified Communications. We work with our customers to reimagine the world of business communications and collaboration; we consistently drive progress, innovation and creativity at a rapid pace with the shared goal of helping business stay ahead of the curve when it comes to taking advantage of the latest technology, so business can be done more efficiently and effectively.
